El Paso - Marty Robbins

D **Em** **A7** **D**
Out in the West Texas town of El Paso, I fell in love with a Mexican girl

D **Em** **A7** **D**
Nighttime would find me in Rosa's cantina, music would play and Felina would whirl

D **Em** **A7** **D**
Blacker than night were the eyes of Felina, wicked and evil while casting a spell

D **Em** **A7** **D** **D7**
My love was deep for this Mexican maiden, I was in love but in vain I could tell

G **C** **G** **G** **D** **D** **D**
One night a wild young cowboy came in, wild as the West Texas wind

D **D** **G** **A7**
Dashing and daring, a drink he was sharing, with wicked Felina, the girl that I loved, so in anger

D **Em** **A7** **D**
I challenged his right for the love of this maiden, down went his hand for the gun that he wore

D **Em**
My challenge was answered in less than a heartbeat

A7 **D** **D7**
The handsome young stranger lay dead on the floor

G **C** **G** **G** **D** **D** **D**
Out through the back door of Rosa's I ran, out where the horses were tied

D **D** **G** **A7**
I caught a good one, it looked like it could run, up on its back and away I did ride, just as fast

D **Em** **A7** **D**
As I could from the West Texas town of El Paso, Out to the badlands of New Mexico

D **Em** **A7** **D**
Back in El Paso my life would be worthless, everything's gone in life nothing is left

D **Em** **A7** **D** **D7**
It's been so long since I've seen the young maiden, my love is stronger than my fear of death

G **C** **G** **G** **D** **D** **D**
I saddled up and away I did go, riding alone in the dark

D **D7** **G**
Maybe tomorrow, a bullet may find me, tonight nothing's worse than this pain in my heart

A7 **D** **Em** **A7** **D**
And at last here I am on the hill overlooking El Paso, I can see Rosa's cantina below

D **Em** **A7** **D**
My love is strong and it pushes me onward, down off the hill to Felina I go

D **Em** **A7** **D**
Off to my right I see five mounted cowboys, off to my left ride a dozen or more

D **Em** **A7** **D** **D7**
Shouting and shooting I can't let them catch me, I have to make it to Rosa's back door

G **C** **G** **G** **D** **D** **D**
Something is dreadfully wrong for I feel, a deep burning pain in my side

D **D** **G** **A7**
Though I am trying to stay in the saddle, I'm getting weary unable to ride, but my love for

D **Em** **A7** **D**
Felina is strong and I rise where I've fallen, though I am weary I can't stop to rest

D **Em** **A7** **D**
I see the white puff of smoke from the rifle, I feel the bullet go deep in my chest

D **Em** **A7** **D**
From out of nowhere Felina has found me, kissing my cheek as she kneels by my side

D **Em** **A7** **D**
Cradled by two loving arms that I'll die for, one little kiss and Felina goodbye

Bridge Over Troubled Water – Simon & Garfunkle

When you're weary, feeling small
When tears are in your eyes, I will dry them all
I'm on your side, when times get rough
And friends just can't be found
Like a bridge over troubled water, I will lay me down
Like a bridge over troubled water, I will lay me down

When you're down and out, when you're on the street
When evening falls so hard, I will comfort you
I'll take your part, when darkness comes
And pain is all a round
Like a bridge over troubled water, I will lay me down
Like a bridge over troubled water, I will lay me down

Sail on silver girl, sail on by
Your time has come to shine, all your dreams are on their way
See how they shine, if you need a friend
I'm sailing right behind
Like a bridge over troubled water, I will lay me down
Like a bridge over troubled water, I will lay me down

Gentle On My Mind – Glen Campbell

D **DM7** **D6** **DM7** **Em**
It's knowing that your door is always open and your path is free to walk
Em **EmM7** **Em7** **A7** **D**
That makes me tend to leave my sleeping bag rolled up and stashed behind your couch
D **DM7** **D6** **DM7**
And it's knowing I'm not shackled by forgotten words and bonds
D **DM7** **Em**
And the ink stains that are dried upon some line
Em **EmM7** **Em7** **A7**
That keeps you in the backroads by the rivers of my memory
Em **A7** **D** **DM7** **D6** **DM7**
That keeps you ever gentle on my mind

D **DM7** **D6** **DM7** **Em**
It's not clinging to the rocks and ivy planted on their columns now that bind me
Em **EmM7** **Em7** **A7** **D**
Or something that somebody said because they thought we fit together walking
D **DM7** **D6** **DM7**
It's just knowing that the world will not be cursing or forgiving
D **DM7** **Em**
When I walk along some railroad track and find
Em **EmM7** **Em7** **A7**
That you're moving on the backroads by the rivers of my memory
Em **A7** **D** **DM7** **D6** **DM7**
And for hours you're just gentle on my mind

D **DM7**
Though the wheat fields and the clothes lines
D6 **DM7** **Em**
And the junkyards and the highways come between us
Em **EmM7** **Em7** **A7** **D**
And some other woman's cryin' to her mother 'cause she turned and I was gone
D **DM7** **D6** **DM7**
I still might run in silence tears of joy might stain my face
D **DM7** **Em**
And the summer sun might burn me 'til I'm blind
Em **EmM7** **Em7** **A7**
But not to where I cannot see you walkin' on the backroads
Em **A7** **D** **DM7** **D6** **DM7**
By the rivers flowing gentle on my mind

D **DM7** **D6** **DM7** **Em**
I dip my cup of soup back from a gurglin' cracklin' caldron in some train yard
Em **EmM7** **Em7** **A7** **D**
My beard a roughening coal pile, and a dirty hat pulled low across my face
D **DM7** **D6** **DM7** **Em**
Through cupped hands 'round the tin can I pretend to hold you to my breast and find
Em **EmM7** **Em7** **A7**
That you're waiting from the backroads by the rivers of my memories
Em **A7** **D**
Ever smilin' ever gentle on my mind

All Along The Watchtower – Jimi Hendrix

There must be some kind of way out of here, said the joker to the thief
There's too much confusion, I can't get no relief

No reason to get excited, The thief he kindly spoke
There are many here among us, who feel that life is but a joke
But you and I we've been through that, and this is not our fate
So let us not talk falsely now, the hour's getting late

Just about a year ago, I set out on the road
Seekin' my fame and fortune lookin' for a pot of gold
Things got bad and things got worse, I guess you will know the tune
Oh Lord, stuck in Lodi again

Rode in on the Greyhound, I'll be walkin' out if I go
I was just passin' through, must be seven months or more
Ran out of time and money, looks like they took my friends
Oh Lord, I'm stuck in Lodi again

Somewhere I lost connections ran out of songs to play
I came into town a one night stand, looks like my plans fell through

If I only had a dollar, for ev'ry song I've sung
And ev'ry time I've had to play, while people sat there drunk
You know I'd catch the next train, back to where I live

Piece Of My Heart – Janis Joplin

Bm D E F#m E G E

Well come on, come on, come on, come on
Didn't I make you feel like you were the only man
Didn't I give you nearly everything that a woman possibly can
And each time I tell myself that I, well I think I've had enough
But what I'm gonna show you baby, that a woman can be tough

CHORUS:

I want you to come on, come on, come on, come on and
Take it, take another little piece of my heart now baby
(Oh oh break it) break another little bit of my heart
(Oh, oh, have a) have another little piece of my heart now baby
You know you got it if it makes you feel good
Lord yes indeed

You're out on the streets looking good
And baby deep down in your heart I guess you know that it ain't right
Never, never, never, never, never, never hear me when I cry at night
Babe and I cry all the time
But each time I tell myself that I, well I can't stand the pain
But when you hold me in your arms, I'll sing it once again

The Sound Of Silence – Simon & Garfunkle

Dm Hello darkness my old friend, I've come to talk with you again **C** **Dm**
Because a vision softly creeping, left its seeds while I was sleeping **Bb** **F** **Bb** **F**
And the vision that was planted in my brain, still remains **Bb** **Bb** **F** **Dm**
Within the sound of silence **F** **C** **Dm**

In restless dreams I walked alone. narrow streets of cobblestone **C** **Dm**
Neath the halo of a streetlamp, I turned my collar to the cold and damp **Bb** **F** **Bb** **F**
When my eyes were stabbed by the flash of a neon light, that split the night **Bb** **Bb** **F** **Dm**
And touched the sound of silence **F** **C** **Dm**

And in the naked light I saw, ten thousand people, maybe more **C** **Dm**
People talking without speaking, people hearing without listening **Bb** **F** **Bb** **F**
People writing songs that voices never share, no one dare **Bb** **Bb** **F** **Dm**
Disturb the sound of silence **F** **C** **Dm**

Fools said I you do not know, silence like a cancer grow **C** **Dm**
Hear my words that I might teach you, take my arms that I might reach you **Bb** **F** **Bb** **F**
But my words like silent raindrops fell and echoed in the wells of silence **Bb** **Bb** **F** **Dm** **F** **C** **Dm**

And the people bowed and prayed, to the neon god they made **C** **Dm**
And the sign flashed out its warning, in the words that it was forming **Bb** **F** **Bb** **F**
And the sign said the words of the prophets are written on subway walls **Bb** **Bb** **F**
And tenement halls and whispered in the sounds of silence **Dm** **F** **C** **Dm**

The Wanderer - Dion

Oh well I'm the type of guy who will never settle down

Where pretty girls are well you know that I'm around

I kiss 'em and I love 'em 'cause to me they're all the same

I hug 'em and I squeeze 'em they don't even know my name

They call me the wanderer, yeah the wanderer

I roam around, around, around

Oh well there's Flo on my left and there's Mary on my right

And Janie is the girl with that I'll be with tonight

And when she asks me, which one I love the best

I tear open my shirt and show her Rosie on my chest

They call me the wanderer, yeah the wanderer

I roam around, around, around

Oh well I roam from town to town, I go through life without a care

And I'm as happy as a clown

With my two fists of iron and I'm going nowhere

I'm the type of guy that likes to roam around

I'm never in one place, I roam from town to town

And when I find myself, fallin' for some girl

I hop right into that car of mine and ride around the world

They call me the wanderer, yeah the wanderer I roam around ...

Wouldn't It Be Nice – The Beach Boys

A F#m Bm D A F#m C

Wouldn't it be nice if we were older
Then we wouldn't have to wait so long
And wouldn't it be nice to live together
In the kind of world where we belong
You know it's gonna make it that much better
When we can say goodnight and stay together

Wouldn't it be nice if we could wake up
In the morning when the day is new
And after having spent the day together
Hold each other close the whole night through
Happy times together we've been spending
I wish that every kiss was never ending

Wouldn't it be nice
Maybe if we think and wish and hope and pray it might come true
Mabey then there wouldn't be a single thing we couldn't do
We could be married (we could be married)
And then we'd be happy (and then we'd be happy)
Wouldn't it be nice

You know it seems the more we talk about it
It only makes it worse to live without it
But lets talk about it, wouldn't it be nice
Good night my baby, sleep tight my baby ...

A Horse With No Name - America

Em **D(9)/F#** **Em** **D(9)/F#**

After The Gold Rush – Neil Young

Well I dreamed I saw the knights in armor coming

Saying something about a queen

There were peasants singing and drummers drumming

And the archer split the tree

There was a fanfare blowing to the sun, that was floating on the breeze

Look at Mother Nature on the run in the nineteen seventies

Look at Mother Nature on the run, in the nineteen seventies

I was lying in a burned out basement, with the full moon in my eyes

I was hoping for replacement when the sun burst thru the sky

There was a band playing in my head, and I felt like getting high

I was thinking about what a friend had said I was hoping it was a lie

Thinking about what a friend had said I was hoping it was a lie

Well I dreamed I saw the silver space ships flying

In the yellow haze of the sun

There were children crying and colors flying all around the chosen ones

All in a dream, all in a dream the loading had begun

They were flying Mother Nature's silver seed to a new home in the sun

Flying Mother Nature's silver seed to a new home

Oh it's so funny to be seeing you after so long girl
And with the way you look I understand that you are not impressed
But I heard you let that little friend of mine take off your party dress
I'm not going to get too sentimental like those other sticky valentines
'Cause I don't know if you've been loving somebody
I only know it isn't mine

Well I see you've got a husband now
Did he leave your pretty fingers lying in the wedding cake
You used to hold him right in your hand
I'll bet he took all he could take

Sometimes I wish that I could stop you from talking
When I hear the silly things that you say
I think somebody better put out the big light
Cause I can't stand to see you this way

Born To Run – Bruce Springsteen

D G/B A/C ...

In the day we sweat it out in the streets of a runaway American dream
At night we ride through mansions of glory in suicide machines
Sprung from cages out on highway 9, chrome wheeled fuel injected
and steppin' out over the line oh, baby this town rips the bones from your back
It's a death trap, it's a suicide rap, we gotta get out while we're young
`Cause tramps like us, baby we were born to run

Wendy let me in I wanna be your friend I want to guard your dreams and visions
Just wrap your legs 'round these velvet rims and strap your hands across my engines
Together we could break this trap we'll run till we drop, baby we'll never go back oh
Will you walk with me out on the wire `cause baby I'm just
a scared and lonely rider But I gotta find out how it feels
I want to know if love is wild babe I want to know if love is real

SOLO: D G/B A/C D G/B A/C Bm A D Am7

Beyond the Palace hemi powered drones scream down the boulevard

SOLO: Ebsus Eb Bbsus Bb Ebsus Eb Bbsus Bb Esus E A A

The highway's jammed with broken heroes on a last chance power drive
Everybody's out on the run tonight but there's no place left to hide
Together Wendy we can live with the sadness I'll love you with all the madness in my soul oh
Someday girl I don't know when we're gonna get to that place
Where we really want to go and we'll walk in the sun
But till then tramps like us baby we were born to run

Now it seems to me, some finer things, have been laid upon your table
But you only want the ones that you can't get

Desperado, oh you ain't gettin' no younger
Your pain and your hunger, they're drivin' you home
And freedom, oh freedom well, that's just some people talkin'
Your prison is walking through this world all alone

Don't your feet get cold in the winter time
The sky won't snow and the sun won't shine
It's hard to tell the night time from the day
You're loosin' all your highs and lows
Ain't it funny how the feeling goes away

Desperado why don't you come to your senses
Come down from your fences, open the gate

And the world, I'll turn it inside out yeah and floating around in ecstasy
(So don't stop me now, don't stop me), 'cause I'm having a good time having a good time

I'm a shooting star leaping through the sky, like a tiger, defying the laws of gravity
I'm a racing car, passing by like Lady Godiva, I'm gonna go go go, there's no stopping me
I'm burnin' through the sky yeah, two hundred degrees that's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light, I wanna make a super-sonic man out of you

(Don't stop me now) 'cause I'm having a good time
(Don't stop me now) yes I'm havin' a good time, I don't want to stop at all

Yeah I'm a rocket ship on my way to Mars on a collision course, I am a satellite I'm out of control
I am a sex machine ready to reload, like an atom bomb about to oh oh oh oh oh ex-plode

When you could understand

Hypnotized – Fleetwood Mac

C bass F octaves C bass Cm

It's the same kind of story, that seems to come down from long ago

Two friends having coffee together, when something flies by their window

It might be out on that lawn, which is wide, at least half of a playing field

Because there's no explaining what your imagination

Can make you see and feel

Fm

Ab

G7

Seems like a dream, they got me hypno-tized

Now it's not a meaningless question, to ask if they've been and gone

I remember a talk about North Carolina and a strange, strange pond

You see the sides were like glass, in the thick of a forest without a road

And if any man's hand ever made that land

Then I think it would've showed

Fm

Ab

G7

Seems like a dream, they got me hypno-tized

SOLO: Ooo ooo Oooo oooo Ooooo ooooo Ooooo oooooo

They say there's a place down in Mexico

Where a man can fly over mountains and hills

And he don't need an airplane or some kind of engine and he never will

Now you know it's a meaningless question to ask if those stories are right

'Cause what matters most is the feeling, you get when you're hypnotized

I Believe In Love – Kenny Loggins

D C F Em A (4x)

I see faces, coverin' an empty 'I', empty spaces
Where there used to be a soul inside
Nothin' and no one ever gets to them
Seems the wind could blow right through them
Believin' in gods that never knew them, I believe in love
I believe in love, I do, I believe I'm feelin' good, I'm feeling love (feeling love is feeling good)
I believe in love, feeling love is feeling good

Worry, climbin' up your money tree
You've got to hide it, monkey do what the monkey see
You're on a one-way street and you're speedin'
Missin' the signs you should be readin'
That's the things you'll later be needin', I believe in love
I believe in love, I do, I believe I'm feelin' good
I'm feeling love (feeling love is feeling good), (Feeling love is feeling good) I believe in love
(Feeling love is feeling good) I believe in love, (Feeling love is feeling good) I believe in love
Feeling Love is feeling good (I believe in love), Feeling love is feeling good, (I believe in love)

SOLO: F#m7 Bm7 Em A F#m7 Bm7 Em Gm7 Am7 D7 Gm7 Em A

Oh never be lonely, sleepin' in an empty bed
Shouldn't feel it, just a place to rest my head
But I don't want to find myself one day
Wakin' up and lookin' at Monday
With some 'what's-her-name' left from Sunday, I believe in love
I believe it, nobody sold me, always knew it, nobody told me
I believe in someone to hold me, I believe in love, I believe in love, I do, I believe I'm feelin' good
Everybody should, I believe I'm feelin' good
Believe in it, believe in love

I Will Survive – Gloria Gaynor

Am **Dm**
At first I was afraid, I was petrified
G **CM7**
Kept thinking I could never live without you by my side
FM7 **Bm7b5**
But then I spent so many nights, thinking how you did me wrong
Esus **E**
And I grew strong, and I learned how to get along
Am **Dm**
And so you're back, from outer space
G **CM7**
I just walked in to find you here with that sad look upon your face
FM7 **Bm7b5**
I should have changed that stupid lock I should have made you leave your key
Esus **E**
If I'd known for just one second, you'd be back to bother me

CHORUS:

Am **Dm**
Go on now go, walk out the door
G **CM7**
Just turn around now, 'cause you're not welcome anymore
FM7 **Bm7b5**
Weren't you the one who tried to hurt me with goodbye
Esus **E**
Did you think I'd crumble, did you think I'd lay down and die
Am **Dm**
Oh no not I, I will survive
G **CM7**
Oh as long as I know how to love, I know I'll stay alive
FM7 **Bm7b5**
I've got all my life to live and I've got all my love to give

And I'll survive I will survive, hey hey

SOLO: **Am Dm G CM7 FM7 Bm7b5 Esus E**

Esus **E**
I used to cry, but now I hold my head up high
Am **Dm**
And you see me, somebody new

I'm not that chained-up little person still in love with you
FM7 **Bm7b5**
And so you felt like dropping in, and just expect me to be free

If You Could Read My Mind – Gordon Lightfoot

G Gadd9 G Gadd9

If you could read my mind love, what a tale my thoughts could tell

Just like an old time movie, about a ghost from a wishing well

In a castle dark or a fortress strong, with chains upon my feet

You know that ghost is me

And I will never be set free as long as I'm a ghost you can see

If I could read your mind love, what a tale your thoughts could tell

Just like a paperback novel, the kind the drugstore sells

When you reach the part, where the heartaches come

The hero would be me, but heroes often fail

And you won't read that book again because the ending's just too hard to take

I walk away like a movie star, who gets burned in a three way script, enter number two

A movie queen to play the scene of bringing all the good things out in me

But for now love let's be real

I never thought I could feel this way and I've got to say that I just don't get it

I don't know where we went wrong but the feeling's gone and I just can't get it back

Gadd9 G Gdd9

If you could read my mind love, what a tale my thoughts could tell

Just like an old time movie about a ghost from a wishing well

In a castle dark or a fortress strong with chains upon my feet the story always ends

And if you read between the lines you'll know that I'm just trying to understand

The feeling that you left

I never thought I could feel this way and I've got to say that I just don't get it

I don't know where we went wrong but the feeling's gone and I just can't get it back

Isn't It A Pity – George Harrison

Isn't it a pity now isn't it a shame
How we break each other's hearts and cause each other pain
How we take each other's love without thinking anymore
Forgetting to give back isn't it a pity

Loves Me Like A Rock – Paul Simon

When I was a little boy (when I was just a boy)
And the Devil would call my name (when I was just a boy)
I'd say now who do (who)
Who do you think you're fooling (when I was just a boy)
I'm a consecrated boy (when I was just a boy)
Singer in a Sunday choir

CHORUS:

Oh my mama loves, she loves me
She gets down on her knees and hugs me, she loves me like a rock
She rocks me like the rock of ages and she loves me
She loves me, loves me, loves me, loves me

When I was grown to be a man (grown to be a man)
And the Devil would call my name (grown to be a man)
I'd say now who do (who)
Who do you think you're fooling (grown to be a man)
I'm a consummated man (grown to be a man)
I can snatch a little purity

REPEAT CHORUS:

And if I was President (was the President)
And the Congress call my name (was the President)

Who do you think you're fooling (who do you think you're fooling)
I've got the Presidential Seal (was the President)
I'm up on the Presidential Podium

Maggie May – Rod Stewart

D Em G D 2x

Wake up, Maggie I think I got something to say to you
It's late September and I really should be back at school
I know I keep you amused, but I feel I'm being used
Oh Maggie I couldn't have tried anymore
You led me away from home, just to save you from being alone
You stole my heart and that's what really hurts
The morning sun when it's in your face really shows your age
That don't worry me none in my eyes you're everything
I laughed at all of your jokes, my love you didn't need to coax
Oh Maggie I couldn't have tried anymore
You led me away from home, just to save you from being alone
You stole my soul and that's a pain I can do without
All I needed was a friend to lend a guiding hand
But you turned into a lover, and mother what a lover you wore me out
All you did was wreck my bed and in the morning kick me in the head
Oh Maggie I couldn't have tried anymore
You led me away from home, 'cause you didn't want to be alone
You stole my heart, I couldn't leave you if I tried

SOLO: Em A D G Em G D D
I suppose I could collect my books and get on back to school
Or steal my daddy's cue and make a living out of playing pool
Or find myself a rock 'n' roll band, that needs a helping hand

You made a first-class fool out of me, but I'm as blind as a fool can be
You stole my heart, but I love you anyway

Make Me Smile (Come Up & See Me) – Steve Harley

You've done it all, you've broken every code
And pulled the rebel to the floor (Ba ba ba ...)
You spoiled the game, no matter what you say
For only metal, what a bore
(Ooh la la la) Blue eyes, blue eyes
(Ooh la la la) How can you tell so many lies (Ooh ah)
Come up and see me, make me sm-ile, or do what you want, running wi-ld

There's nothing left, all gone and run away
Maybe you'll tarry, for a while (Ba ba ba ...)
It's just a test, a game for us to play
Win or lose, it's hard to smile
(Ooh la la la) Resist, resist
(Ooh la la la) It's from yourself you have to hide, oh (Ooh ah)
Come up and see me, make me sm-ile, or do what you want, running wi-ld

SOLO: F Em F Am Em Em G G Dm F C G Dm F C G (STOP)

There ain't no more, you've taken everything
From my belief in Mother Earth (Ba ba ba ...)
Can you ignore my faith in everything
'Cause I know what faith is and what it's worth
(Ooh la la la) Away, away
(Ooh la la la) And don't say maybe yo'll try, oh oh oh (Ooh ah)
Come up and see me, make me sm-ile, or do what you want, running wi-ld

Night Moves – Bob Seger

G F C F G F C F

I was a little too tall, could've used a few pounds tight pants, points hardly renowned

She was a black haired beauty with big dark eyes

And points all her own, sitting way up high way up firm and high

Out past the cornfields where the woods got heavy out in the back seat of my '60 Chevy

Workin' on mysteries without any clues

Workin' on our night moves trying to make some front page drive-in news

Workin' on our night moves in the summertime Mmm in the sweet summertime

We weren't in love, oh no far from it

We weren't searchin' for some pie in the sky or summit

We were just young and restless and bored livin' by the sword

And we'd steal away, every chance we could

To the backroom to the alley, or the trusty woods

I used her she used me but neither one cared we were gettin' our share

Workin' on our night moves trying to lose the awkward teenage blues

Workin' on our night moves in the summertime mmm

In the sweet summertime summertime

Em Em D G G7

Oh I wonder, I felt the lightning yeah

And I waited on the thunder, waited on the thunder

I woke last night to the sound of thunder, how far off I sat and wondered

Started hummin' a song from 1962, ain't it funny how the night moves

When you just don't seem to have as much to lose

Strange how the night moves with autumn closin' in

Night moves Night moves ...

I remember, I remember

On The Road To Find Out – Cat Stevens

G/D Am/D Bm/D Bm/D C/D Bm/D G/D 2x

G D7 G G D7 G 2x

Well I left my happy home to see what I could find out
I left my folk and friends with the aim to clear my mind out

Well I hit the rowdy road and many kinds I met there

Many stories told me of the way to get there

So on and on I go the seconds tick the time out

There's so much left to know, and I'm on the road to find out

Ah ah ah ah ah ah Ah ah ah ah ah ah

Well in the end I'll know, but on the way I wonder

Through descending snow, and through the frost and thunder

I listen to the wind come howl telling me I have to hurry

I listen to the robin's song saying not to worry

So on and on I go the seconds tick the time out

There's so much left to know, and I'm on the road to find out

SOLO: G/D Am/D Bm/D Bm/D C/D Bm/D G/D 2x G D7 G G D7 G 2x

Then I found myself alone, hoping someone would miss me

Thinking about my home, and the last woman to kiss me, kiss me

But sometimes you have to moan when nothing seems to suit ya

But nevertheless you know you're locked towards the future

So on and on you go the seconds tick the time out

There's so much left to know, and I'm on the road to find out

Then I found my head one day when I wasn't even trying

And here I have to say, 'cause there is no use in lying, lying

Yes the answer lies within so why not take a look now

Kick out the devil's sin, pick up, pick up a good book now

Yes the answer lies within so why not take a look now

Kick out the devils sin pickup, pickup a good book now

Yes the answer lies within so why not take a look now

Kick out the devils sin pickup, pickup a good book now

Paradise – John Prine

When I was a child, my family would trave'
Down to Western Kentucky, where my parents were born
And there's a backwards old town, that's often remembered
So many times, that my memories are worn

CHORUS:

And daddy won't you take me back to Muhlenberg County
Down by the Green River, where Paradise lay
Well I'm sorry my son, but you're too late in asking
Mister Peabody's coal train, has hauled it away

Well sometimes we'd travel, right down the Green River
To the abandoned old prison, down by Airdrie Hill
Where the air smelled like snakes, and we'd shoot with our pistols
But empty pop bottles, was all we would kill

REPEAT CHORUS: SOLO: D G D D A D D G D D A D

Then the coal company came, with the world's largest shovel
And they tortured the timber, and stripped all the land
Well they dug for their coal, till the land was forsaken
Then they wrote it all down, as the progress of man

REPEAT CHORUS

When I die let my ashes, float down the Green River
Let my soul roll on up, to the Rochester dam
I'll be halfway to Heaven, with Paradise waitin'
Just five miles away from, wherever I am

RIFF: (E E E D E A B D E)

Hey once I was a boogie singer, playin' in a rock-and-roll band
I never had no problems, burnin' down the one-night stands
And everything around me, got to start to feelin' so low
And I decided quickly, yes, I did, to disco down and check out the show

CHORUS:

Yeah they were dancin' and singin' and movin' to the groovin'
And just when it hit me, somebody turned around and shouted
Play that funky music white boy, play that funky music right
Play that funky music, white boy
Lay down that boogie and play that funky music 'til you die 'til you die

I tried to understand this, I thought that they were out of their minds
How could I be so foolish, to not see I was the one behind
So still I kept on fighting, well losing every step by the way
I said I must go back there, and check to see if things still the same

REPEAT CHORUS: SOLO: E9 E9 (8x)

Now first it wasn't easy, changing rock-and-rolling minds
And things were gettin' shaky, I thought I'd have to leave it behind
Oh but now it's so much better, I'm funkign out in every way
But I'll never lose that feelin', of how I learned my lesson that day

REPEAT CHORUS:

Play that funky music, you got to keep on playin' funky music
Play that funky music, play that funky music
Play that funky music, gonna take you high and low

Running On Empty – Jackson Browne

G/C G G/C G G/C G Em C C/B D

Looking out at the road rushing under my wheels
Looking back at the years gone by like so many summer fields
In '65 I was 17 and running up 101
I don't know where I'm running now, I'm just running on

CHORUS:

Running on, running on empty, running on, running blind
Running on, running into the sun but I'm running behind

Gotta do what you can just to keep your love alive
Trying not to confuse it with what you do to survive
In '69, I was 21 and I called the road my own
I don't know when that road turned on to the road I'm on

REPEAT CHORUS: SOLO: (same as verse)

Everyone I know, everywhere I go, people need some reason to believe
I don't know about anyone but me

If it takes all night that'll be all right if I can get you to smile before I leave

Looking out at the road rushing under my wheels
I don't know how to tell you all just how crazy this life feels
Look around for the friends that I used to turn to to pull me through
Looking into their eyes I see them running too

REPEAT CHORUS:

Honey you really tempt me, you know the way you look so kind
I'd love to stick around but I'm running behind (Running on)
You know I don't even know what I'm hoping to find (Running blind)
Running into the sun but I'm running behind

Say You Love Me – Fleetwood Mac

C (G A G) ...

Have mercy baby, on a poor girl like me
You know I'm falling falling, falling at your feet
I'm tingling right from my head to my toes
So help me help me, help me make the feeling go

CHORUS:

'Cause when the lov-in' starts and the lights go down
And there's not another living soul around
You woo me until the sun comes up and you s-ay that you love me

Have pity baby, just when I thought it was over
And now you got me runnin', runnin', runnin' for cover
I'm begging you for a little sympathy
And if you use me again, it'll be the end of me

REPEAT CHORUS: **Dm7 G Dm7 G Dm7 G C 2x**

SOLO:

Baby baby, hope you're gonna stay away
'Cause I'm getting weaker, weaker every day
I guess I'm not as strong as I used to be
And if you use me again, it'll be the end of me

CHORUS: 2X

Sa-y that you love me sa-y that you love me
Falling, falling, falling ...

Rocky Mountain High – John Denver

D **Em7 C A** **D** **Em7 G A**
He was born in the summer of his 27th year, comin' home to a place he'd never been before
D **Em7 C A**
He left yesterday behind him, you might say he was born again
D **Em7 G A**
You might say he found a key for every door
D **Em7 C A D** **Em7 G A**
When he first came to the mountains his life was far away, on the road and hangin' by a song
D **Em7 C A**
But the string's already broken and he doesn't really care
D **Em7 G A**
It keeps changin' fast, and it don't last for long
G A D G A D
But the Colorado Rocky Mountain high, I've seen it rainin' fire in the sky
G A D **Em7 DM7 G**
The shadow from the starlight is softer than a lul-la-bye
D **Em7 G A**
Rocky Mountain high in Colorado Rocky Mountain high in Colorado
D **Em7 C A**
He climbed cathedral mountains, he saw silver clouds below
D **Em7 G A**
He saw everything as far as you can see
D **Em7 C A**
And they say that he got crazy once and he tried to touch the sun
D **Em7 G A**
And he lost a friend but kept his memory
D **Em7 C A D** **Em7 G A**
Now he walks in quiet solitude the forests and the streams, seeking grace in every step he takes
D **Em7 C A**
His sight has turned inside himself to try and understand
D **Em7 G A**
The serenity of a clear blue mountain lake
G A D G A D
And the Colorado Rocky Mountain high, I've seen it rainin' fire in the sky

D **Em7 G A**
Rocky Mountain high in Colorado Rocky Mountain high in Colorado
D **Em7 C A**
Now his life is full of wonder, but his heart still knows some fear
D **Em7 G A**
Of a simple thing he cannot comprehend
D **Em7 C A**
Why they try to tear the mountains down to bring in a couple more

More people, more scars upon the land

Scenes From An Italian Restaurant – Billy Joel

A bottle of white, a bottle of red, perhaps a bottle of rose instead

Things are okay with me these days, got a good job, got a good office
Got a new wife, got a new life and the family's fine
We lost touch long ago, you lost weight I did not know, you could ever look so nice after so much time
You remember those days hanging out at the village green, engineer boots, leather jackets and tight blue jeans
Drop a dime in the box play the song about New Orleans
Cold beer, hot lights, my sweet romantic teenage nights
Brenda and Eddie were the popular steadies and the king and the queen of the prom
Riding around with the car top down and the radio on
Nobody looked any finer or was more of a hit at the parkway Diner
We never knew we could want more than that out of life
Surely Brenda and Eddie would always know how to survive oh oh oh oh oh oh oh oh oh oh oh oh oh oh
Brenda and Eddy were still going steady in the summer of '75
When they decided the marriage would be at the end of July
Everyone said they were crazy Brenda you know that you're much too lazy
Eddie could never afford to live that kind of life, but there we were wavin' Brenda and Eddie goodbye oh oh oh oh oh
They got an apartment with deep pile carpet and a couple of paintings from Sears
A big waterbed that they bought with the bread they had saved for a couple of years
They started to fight when the money got tight and they just didn't count on the tears oh oh
SAX SOLO: G D G/B C F C F C G D G C G F E7 Am7 G/B C D G F Em D
They lived for a while in a very nice style but it's always the same in the end
They got a divorce as a matter of course and they parted the closest of friends
Then the king and the queen went back to the green but you can never go back there again oh oh oh oh
Brenda and Eddie had had it already by the summer of '75
From the high to the low to the end of the show for the rest of their lives
They couldn't go back to the greasers the best they could do was pick up the pieces
We always knew they would both find a way to get by
That's all I heard about Brenda and Eddie, can't tell you more than I told you already
And here we are wavin' Brenda and Eddie goodbye oh oh ...

Gonna sit down in the kitchen, and fix me something good to eat
And make my head a little high, and make this whole day complete
Cuz we gonna lay around the shanty mama
And put a good buzz on

Well pass it to me baby, pass it to me slow
We'll take time out to smile a little, before we let it go
Cuz we gonna lay around the shanty mama
And put a good buzz on

Well there ain't nothin' to do and there's always room for more
Fill it, light it, shut up and close the door

Some Kind Of Wonderful – Grand Funk Railroad

I don't need a whole lots of money, I don't need a big fine car
I got everything that a man could want, I got more than I could ask for
I don't have to run around, I don't have to stay out all night
'Cause I got me a sweet, a sweet loving woman
And she know just how to treat me right

CHORUS:

Well my baby she's alright, well my baby's clean out of sight
Don't you know that she's some kind of wonderful
Yes she is, she's some kind of wonderful yeah yeah yeah

When I hold her in my arms, you know she sets my soul on fire
Ooo when my baby kisses me, my heart becomes filled with desire
When she wraps her loving arms around me, it drives me out of my mind
Yeah when my baby kisses me, chills run up and down my spine

REPEAT CHORUS:

Now is there anybody, got a sweet little woman like mine
There's got to be somebody, got a, got a sweet little woman like mine
Yeah now can I get a witness, can I get a witness
Oh can I get a witness, can I get a witness
Can I get a witness, can I get a witness
I'm talking, talking 'bout my baby (She's some kind of wonderful)
I'm talking, talking 'bout my baby (She's some kind of wonderful)

Son Of A Son Of A Sailor – Jimmy Buffett

As the son of a son of a sailor, I went out on the sea for adventure

Expanding the view of the captain and crew

Like a man just released from indenture

As a dreamer of dreams and a travelin' man, I have chalked up many a mile

Read dozens of books about heroes and crooks

And I learned much from both of their styles

Son of a son, son of a son, son of a son of a sailor

Son of a gun, load the last ton, one step ahead of the jailer

Now way in the near future, southeast of disorder

You can shake the hand of the mango man, as he greets you at the border

And the lady she hails from Trinidad, island of the spices

Salt for your meat and cinnamon sweet, and the rum is for all your good vices

Haul the sheet in as we ride on the wind, that our forefathers harnessed before us

Hear the bells ring as the tight rigging sings, it's a son of a gun of a chorus

SOLO: F C C G C/G G F C C G C/G G

Where it all ends I can't fathom my friends, if I knew I might toss out my anchor

So I cruise along always searchin' for songs, not a lawyer a thief or a banker

Son of a son, son of a son, son of a son of a sailor

Son of a gun, load the last ton, one step ahead of the jailer

I'm just a son of a son, son of a son, son of a son of a sailor

The sea's in my veins, my tradition remains, I'm just glad I don't live in a trailer

Seven years of bad luck, the good things in your past

Thank God I'm A Country Boy – John Denver

Well life on the farm is kinda laid back
Ain't much an old country boy like me can't hack
It's early to rise, early in the sack thank God I'm a country boy
Well a simple kinda life never did me no harm
A raisin' me a family and workin' on a farm
My days are all filled with an easy country charm thank God I'm a country boy

CHORUS:

Well I got me a fine wife I got me an ole fiddle
When the sun's comin' up I got cakes on the griddle
Life ain't nothin' but a funny funny riddle, thank God I'm a country boy

When the work's all done and the sun's settlin' low
I pull out my fiddle and I rosin up the bow
The kids are asleep so I keep it kinda low, thank God I'm a country boy
I'd play Sally Goodin all day if I could
But the Lord and my wife wouldn't take it very good
So I fiddle when I can, work when I should, thank God I'm a country boy

REPEAT CHORUS: SOLO:

Well I wouldn't trade my life for diamonds and jewels

The Story In Your Eyes – The Moody Blues

Am Bm/A C/A D/A (3x) Am E

I've been thinking about our fortune
And I've decided that we're really not to blame
For the love that's deep inside us now is still the same
And the sound we make together
Is the music to the story in your eyes
It's been shining down upon you now I realize

CHORUS:

Listen to the tide slowly turning, wash all our heartaches away
We are part of the fire that is burning
And from the ashes we can build another day
But I'm frightened for your children
And the life that we are living is in vain
And the sunshine we've been waiting for will turn to rain

REPEAT CHORUS:

When the final line is over
And it's certain that the curtain's gonna fall
I can hide inside your sweet, sweet love forever more

The Wreck of The Edmund Fitzgerald – Gordon Lightfoot

G **Dm** **F** **C** **G**
The legend lives on from the Chippewa on down, of the big lake they called Gitche Gumee
G **Dm** **F** **C** **G**
The lake it is said never gives up her dead, when the skies of November turn gloomy
G **Dm** **F** **C** **G**
With a load of iron ore twenty-six thousand tons more, than the Edmund Fitzgerald weighed empty
G **Dm** **F** **C** **G**
That good ship and true was a bone to be chewed, when the gales of November came early

G **Dm** **F** **C** **G**
The ship was the pride of the American side, coming back from some mill in Wisconsin
G **Dm** **F** **C** **G**
As the big freighters go, it was bigger than most, with a crew and good captain well seasoned
G **Dm** **F** **C** **G**
Concluding some terms with a couple of steel firms, when they left fully loaded for Cleveland
G **Dm** **F** **C** **G**
And later that night when the ship's bell rang, could it be the north wind they'd been feelin'

G **Dm** **F** **C** **G**
The wind in the wires made a tattle-tale sound, and a wave broke over the railing
G **Dm** **F** **C** **G**
And every man knew, as the captain did too, t'was the witch of November come stealin'
G **Dm** **F** **C** **G**
The dawn came late and the breakfast had to wait, when the gales of November came slashin'
G **Dm** **F** **C** **G**
When afternoon came it was freezin' rain, in the face of a hurricane west wind

G **Dm** **F** **C** **G**
When suppertime came, the old cook came on deck sayin', fellas it's too rough to feed ya
G **Dm** **F** **C** **G**
At seven p.m a main hatchway caved in, he said fellas it's been good to know ya
G **Dm** **F** **C** **G**
The captain wired in he had water comin' in and the good ship and crew was in peril
G **Dm** **F** **C** **G**
And later that night when 'is lights went outta sight, came the wreck of the Edmund Fitzgerald

G **Dm** **F** **C** **G**
Does any one know where the love of God goes, when the waves turn the minutes to hours
G **Dm** **F** **C** **G**
The searchers all say they'd have made Whitefish Bay, if they'd put fifteen more miles behind 'er
G **Dm** **F** **C** **G**
They might have split up or they might have capsized, they may have broke deep and took water
G **Dm** **F** **C** **G**
And all that remains is the faces and the names, of the wives and the sons and the daughters

G **Dm** **F** **C** **G**
Lake Huron rolls, Superior sings, in the rooms of her ice-water mansion
G **Dm** **F** **C** **G**
Old Michigan steams like a young man's dreams, the islands and bays are for sportsmen
G **Dm** **F** **C** **G**
And farther below Lake Ontario, takes in what Lake Erie can send her
G **Dm** **F** **C** **G**
And the iron boats go as the mariners all know, with the gales of November remembered

G **Dm** **F** **C** **G**
In a musty old hall in Detroit they prayed, in the maritime sailors' cathedral
The church bell chimed till it rang twenty-nine times, for each man on the Edmund Fitzgerald
The legend lives on from the Chippewa on down, of the big lake they called Gitche Gumee
Superior, they said, never gives up her dead, when the gales of November come early

Up On Cripple Creek – The Band

When I get off of this mountain, you know where I want to go
Straight down the Mississippi river, to the Gulf of Mexico
To Lake Charles Louisiana, Little Bessie a girl that I once knew
And she told me just to come on by, if there's anything she could do

CHORUS:

Up on Cripple Creek she sends me, if I spring a leak she mends me
I don't have to speak she defends me, a drunkard's dream if I ever did see one

Good luck had just stung me, to the race track I did go
She bet on one horse to win, and I bet on another to show
The odds were in my favor, I had him five to one
That nag to win came around the track, sure enough he had won

REPEAT CHORUS:

I took up all of my winnings, and I gave my little Bessie half
And she tore it up and threw it in my face, just for a laugh
Now there's one thing in the whole wide world, I sure would like to see
That's when that little love of mine, dips her doughnut in my tea

REPEAT CHORUS:

Lo ho oo Lo di lo di lo di ho Lo ho oo Lo di lo do lo di ho

Now me and my mate were back at the shack, we had Spike Jones on the box
She said I can't take the way he sings, but I love to hear him talk
Now that just gave my heart a fall, to the bottom of my feet
And I swore as I took another pull, my Bessie can't be beat

REPEAT CHORUS:

Up On The Roof – James Taylor

Em D/F# G6 A7sus

When this old world starts a getting me down
And people are just too much for me to face
I'll climb way up to the top of the stairs
And all my cares just drift right into space
On the roof, it's peaceful as can be
And there the world below don't bother me no no

So when I come home feeling tired and beat
I'll go up where the air is fresh and sweet
I'll get far away from the hustling crowd
And all the rat-race noise down in the street
On the roof, that's the only place I know, look at the city baby
Where you just have to wish to make it so, let's go up on the roof

And at night the stars, they put on a show for free
And darling you can share it all with me
That's what I said, keep on telling you

That right smack dab in the middle of town
I found a paradise that's trouble-proof
And if this old world starts a getting you down
There's room enough for two
Up on the roof ...

Up The Junction - Squeeze

D G D G D D
I never thought it would happen, with me and a girl from Clapham
Out on the windy common, that night I ain't forgotten
When she dealt out the rations, with some or other passions
I said you are a lady, perhaps she said I may be

D G D
We moved into a basement, with thoughts of our engagement
We stayed in by the telly, although the room was smelly
We spent our time just kissing, the Railway Arms we're missing
But love had got us hooked up, and all our time it took up

D G D
I got a job with Stanley, he said I'd come in handy
And started me on Monday, so I had a bath on Sunday
I worked eleven hours, and bought the girl some flowers
She said she'd seen a doctor, and nothing now could stop her

Bm F#m Em
I worked all through the winter, the weather brass and bitter
I put away a tenner, each week to make her better
And when the time was ready, we had to sell the telly
Late evenings by the fire, and little kicks inside her

C F C
This morning at four-fifty, I took her rather nifty
Down to an incubator, where thirty minutes later
She gave birth to a daughter, within a year a walker
She looked just like her mother, if there could be another

D G D
And now she's two years older, her mother's with a soldier
She left me when my drinking, became a proper stinging
The Devil came and took me, from bar to street to bookie
No more nights by the telly, no more nights nappies smelling

D G D
Alone here in the kitchen, I feel there's something missing
I'd beg for some forgiveness., but begging's not my business
And she won't write a letter, although I always tell her
And so it's my assumption, I'm really up the junction

Vincent (Starry Starry Night) – Don McLean

Starry, starry night, paint your palette blue and gray. look out on a summer's day
With eyes that know the darkness in my soul
Shadows on the hills, sketch the trees and the daffodils
Catch the breeze and the winter chills. in colors on the snowy linen land

CHORUS:

Now I understand, what you tried to say to me
And how you suffered your sanity, and how you tried to set them free
They would not listen, they did not know how. perhaps they'll listen now

Starry, Starry night, flaming flowers that brightly blaze. swirling clouds in violet haze
Reflect in Vincent's eyes of China blue
Colors changing hue, morning fields of amber grain
Weathered faces lined in pain are soothed beneath the artist's loving hand

REPEAT CHORUS:

For they could not love you, but still your love was true
And when no hope was left in site on that starry starry night
You took your life as lovers often do, But I could have told you Vincent
This world was never meant for one as beautiful as you

Starry, starry night, portraits hung in empty halls
Frameless heads on nameless walls, with eyes that watch the world and can't forget
Like the strangers that you've met, the ragged men in ragged clothes
The silver thorn of bloody rose, lie crushed and broken on the virgin snow
And now I think I know, what you tried to say to me
And how you suffered for your sanity, and how you tried to set them free
They would now listen they're not listening still, perhaps they never will

Em G Em G

As you brush your shoes, stand before the mirror
And you comb your hair, grab your coat and hat
And you walk wet streets trying to remember
All those wild night breezes in your memory ever

CHORUS:

And everything looks so complete, when you're walking out on the street
And the wind catches your feet, sets you flying, crying
Ooooooh wee, wild night is calling, Ooooooh wee, wild night is calling

All the girls walk by, dressed up for each other
And the boys do the boogie woogie on the corner of the street
And the people passing by, just stare with wild wonder
And inside the juke box roars out just like thunder

Won't Get Fooled Again – The Who

A G D

We'll be fighting in the streets with our children at our feet

And the morals that they worship will be gone

And the men who spurred us on sit in judgement of all wrong

They decide and the shotgun sings the song

CHORUS:

I'll tip my hat to the new constitution, take a bow for the new revolution

Smile and grin at the change all around, pick up my guitar and play

Just like yesterday, then I'll get on my knees and pray

We don't get fooled again

The change, it had to come we knew it all along

We were liberated from the fold that's all

And the world looks just the same and history ain't changed

'Cause the banners, they are flown in the next war

REPEAT CHORUS: A G D 8x

I'll move myself and my family aside, if we happen to be left half alive

I'll get all my papers and smile at the sky

Though I know that the hypnotized never lie

There's nothing in the streets looks any different to me

And the slogans are replaced, by-the-bye

And the parting on the left is now parting on the right

And the beards have all grown longer overnight

REPEAT CHORUS: SOLO: A

Keep your head together and call my name out loud now

Soon I'll knocking upon your door

9 to 5 – Dolly Parton

^ATumble outta bed and I stumble to the kitchen, ^Dpour myself a cup of ambition
^AYawn and stretch and try to come to life ^E
^AJump in the shower and the blood starts pumpin'
^DOut on the street the traffic starts jumpin'
^AWith folks like me on the job from 9 to 5 ^E ^A

CHORUS:

^DWorkin' 9 to 5, what a way to make a livin', ^Abarely gettin' by, it's all takin' and no givin'
^DThey just use your mind and they never give you credit
^BIt's enough to drive you crazy if you let it ^E

^D9 to 5, for service and devotion
^AYou would think that I would deserve a fat promotion
^DWant to move ahead but the boss won't seem to let me
^BI swear sometimes that man is out to get me ^E ^A
^AThey let you dream just to watch 'em shatter, you're just a step on the boss-man's ladder ^D
^ABut you got dreams he'll never take away ^E
^AYou're in the same boat with a lotta your friends, waitin' for the day your ship'll come in ^D
^AAn' the tide's gonna turn and it's all gonna roll your way ^E ^A

REPEAT CHORUS:

^D9 to 5, yeah they got you where they want you
^AThere's a better life, and you dream about it, don't you
^DIt's a rich man's game no matter what they call it
^BAnd you spend your life puttin' money in his wallet ^E ^A

Against The Wind – Bob Segar

G **Bm**
It seems like yesterday, but it was long ago
C **G**
Janey was lovely, she was the queen of my nights
D **C**
There in the darkness with the radio playing low

Caught like a wildfire out of control

C **D**
Till there was nothing left to burn and nothing left to prove
Em **D** **G** **Em** **C** **G**
And I remember what she said to me, how she swore that it never would end

An Innocent Man – Billy Joel

C Some people stay far away from the door, if there's a chance of it opening up **Dm**
F They hear a voice in the hall outside, and hope that it just passes by **C**
C Some people live with the fear of a touch, and the anger of having been a fool **Dm**

Gm7 I know you're only protecting yourself **C/G** I know you're thinking of somebody else **Bb/F**
G (STOP)
Someone who hurt you
C But I'm not above making up for the love, you've been denying you could ever feel **Dm**
F I'm not above doing anything, to restore your faith if I can **C**

F I'm only willing to hear you cry, because I am an innocent man **C** **Csus** **C** **Csus**
Bb/F I am **F** an innocent man **Bb/F** oh yes I am **F** **G** **C**
C Some people say they will never believe, another promise they hear in the dark **Dm**
F Because they only remember too well, they heard somebody tell them before **C**
C Some people sleep all alone every night, instead of taking a lover to bed **Dm**
F Some people find that it's easier to hate than to wait anymore **C**
Gm7 I know you don't want to hear what I say **C/G** I know you're gonna keep turning away **Bb/F**

But I've been there and
C If I can survive, I can keep you alive, I'm not above going through it again **Dm**
F I'm not above being cool for a while, if you're cruel to me I'll understand **C**
C Some people run from a possible fight, some people figure they can never win **Dm**

Brilliant Disguise – Bruce Springsteen

G Gadd2 Gsus4 G ...

I hold you in my arms, as the band plays
What are those words whispered baby, just as you turn away
I saw you last night, out on the edge of town
I want to read your mind to know just what I've got in this new thing I've found
So tell me what I see when I look in your eyes
Is that y-ou ba-by or just a brilliant disgu-i-se

I heard somebody call your name, from underneath our willow
I saw something tucked in shame, underneath your pillow
Well I've tried so hard baby, but I just can't see
What a woman like you, is doing with me
So tell me who I see when I look in your eyes
Is that y-ou ba-by or just a brilliant disgu-i-se

Now look at me baby, struggling to do everything right
And then it all falls apart, when out go the lights
I'm just a lonely pilgrim, I walk this world in wealth
I want to know if it's you I don't trust, 'cause I damn sure don't trust myself

Now you play the loving woman, I'll play the faithful man
But just don't look too close, into the palm of my hand
We stood at the alter, the gypsy swore our future was right
But come the wee wee hours, well maybe baby the gypsy lied
So when you look at me you better look hard and look twice
Is that y-ou ba-by or just a brilliant disgu-i-se

Tonight our bed is cold, lost in the darkness of our love
God have mercy on the man, who doubts what he's sure of

He'd end up blowing all his wages for the week, all for a cuddle and a peck on the cheek

Dancing With Myself – Billy Idol

On the floors of Tokyo-o, or down in London town to g, go
With the record selection and the mirror's reflection I'm a-dancing with myself
When there's no-one else in sight, in the crowded lonely night
Well I wait so long for my love vibration and I'm dancing with myself

If I looked all over the world and there's every type of girl
But your empty eyes seem to pass me by, leave me dancing with myself
So let's sink another drink, 'Cause it'll give me time to think

If I had the chance I'd ask the world to dance and not be dancing with myself

Don't Get Me Wrong – The Pretenders

C Am Dm G

Don't get me wrong, if I'm looking kind of dazzled

I see neon lights, whenever you walk by

Don't get me wrong, if you say hello and I take a ride

Upon a sea where the mystic moon, is playing havoc with the tide

Don't get me wrong

Don't get me wrong, if I'm acting so distracted

I'm thinking about the fireworks, that go off when you smile

Don't get me wrong, if I split like light refracted

I'm only off to wander across a moonlit mile

Once in a while, two people meet

Seemingly for no reason, they just pass on the street

Suddenly thunder, showers everywhere

Who can explain the thunder and rain but there's something in the a-ir

SOLO: C Am Dm G C Am Dm G

Don't get me wrong, if I come and go like fashion

I might be great tomorrow, but hopeless yesterday

Don't get me wrong, if I fall in the mode of passion

It might be unbelievable but let's not say so long

It might just be fantastic don't get me wrong

Faith – George Michael

Well I guess it would be nice, if I could touch your body
I know not everybody, has got a body like you
But I've got to think twice, before I give my heart away
And I know all the games you play, because I play them too

Oh but I need some time off from that emotion
Time to pick my heart up off the floor
And when that love comes down with out de-votion
Well it takes a strong man baby but I'm showing you the door
'Cause I gotta have faith, I gotta have faith
Because I gotta have faith, I got to have faith faith faith

Baby, I know you're asking me to stay, say please please please don't go away
You say I'm giving you the blues
Maybe, you mean every word you say, can't help but think of yesterday
And another who tied me down to loverboy rules

CHORUS:

Before this river becomes an ocean
Before you throw my heart back on the floor
Oh baby I reconsider my foolish notion
Well I need someone to hold me but I'll wait for something more
Yes I gotta have faith, Ooo I gotta have faith

Glory Days – Bruce Springsteen

A D A D A D A D

I had a friend was a big baseball player, back in high school

He could throw that speedball by you, make you look like a fool boy

Saw him the other night at this roadside bar, I was walking in, he was walking out

We went back inside sat down had a few drinks, but all he kept talking about was

CHORUS:

Glory days, well they'll pass you by

Glory days, in the wink of a young girl's eye, glory days, glory days

Well there's a girl that lives up the block, back in school she could turn all the boy's heads

Sometimes on a Friday I'll stop by, and have a few drinks after she put her kids to bed

Her and her husband Bobby well they split up, I guess it's two years gone by now

We just sit around talking about the old times, she says when she feels like crying

She starts laughing thinking bout

REPEAT CHORUS: E E D E (STOP)

Think I'm going down to the well tonight, and I'm gonna drink till I get my fill

And I hope when I get old I don't sit around thinking about it, but I probably will

Yeah, just sitting back trying to recapture, a little of the glory yeah

Well time slips away and leaves you with nothing, mister, but boring stories of

REPEAT CHORUS: (2X)

Well alright, oh yeah ...

These city walls only to be with you

I have kissed, honey lips, felt the healing in the, fingertips

It burned like fire this burning desire

It was warm in the night I was cold as a stone

But I still haven't found, what I'm looking for

But I still haven't found, what I'm looking for

I believe in the, Kingdom come, then all the colors, will bleed into one

Bleed into one but yes I'm still running

You broke the bonds and you loosened the chains

Carried the cross, of my shame

Of my shame you know I believe it

But I still haven't found, what I'm looking for

But I still haven't found, what I'm looking for ...

Just Like Heaven – The Cure

C G Dm F

Show me show me show me how you do that trick

The one that makes me scream she said

The one that makes me laugh she said

And threw her arms around my neck

Show me how you do it and I promise you I promise that

I'll run away with you, I'll run away with you

Spinning on that dizzy edge, I kissed her face and kissed her head

And dreamed of all the different ways, I had to make her glow

Why are you so far away she said, why won't you ever know

That I'm in love with you, that I'm in love with you

You soft and only, you lost and lonely

You strange as angels

Dancing in the deepest oceans

Twisting in the water you're just like a dream just like a dream

Daylight licked me into shape, I must have been asleep for days

And moving lips to breathe her name, I opened up my eyes

And found myself alone alone, alone above a raging sea

That stole the only girl I loved and drowned her deep inside of me

You soft and only, you lost and lonely

You just like heaven

But each time we talk I get the same old thing

My honey my baby don't put my love upon no shelf
She said don't hand me no lines and keep your hands to yourself

But baby baby baby why you treat me this way
You know I'm still your lover boy I still feel the same way
That's when she told me a story 'bout free milk and a cow
And she said no huggin' no kissin' 'til I get a wedding vow

Overjoyed – Stevie Wonder

Db6 C7 BM7 C7 Db6 C7 BM7 Bb7

Over time, I've been building my castle of love

Just for two, though you never knew you were my rea-son

I've gone much too far for you now to say, that I've got to throw my castle away

Over dreams, I have picked out a perfect come true

Though you never knew it as of you I've been dream-ing

The sandman has come from to far away for you to say come back some other day

And though you don't believe that they do they do come true

For did my dreams, come true when I looked at you

And maybe too if you would believe

You too might be Overjoyed, over loved, over me

Over hearts, I have painfully turned every stone

Just to find, I had found what I've searched to disc-over

I've come much too far for me now to find,

The love that I've sought can never be mine

And though you don't believe that they do, they do come true, for did my dreams

Come true when I looked at you

Pink Cadillac – Bruce Springsteen

Well now you may think I'm foolish, for the foolish things I do
You may wonder how come I love you, when you get on my nerves like you do
Well baby you know you bug me, there ain't no secret 'bout that
Well come on over here and hug me, baby I'll spill the facts
Well honey it ain't your money, cause baby I got plenty of that

CHORUS:

I love you for your pink Cadillac, crushed velvet seats
Riding in the back, cruising down the street
Waving to the girls, feeling out of sight
Spending all my money on a Saturday night
Honey I just wonder what you do there in back
Of your pink Cadillac, Pink Cadillac

Well now way back in the Bible, temptations always come along
There's always somebody tempting, somebody into doing something they know is wrong
Well they tempt you, man with silver, and they tempt you sir with gold
And they tempt you with the pleasures, that the flesh does surely hold
They say Eve tempted Adam with an apple, but man I ain't going for that

REPEAT CHORUS:

Now some folks say it's too big, and uses too much gas
Some folks say it's too old, and that it goes too fast
But my love is bigger than a Honda, it's bigger than a Subaru
Hey man there's only one thing, and one car that will do
Anyway we don't have to drive it, honey we can park it out in back

Rock This Town – Stray Cats

C C C C

Well my baby and me went out late Saturday night
I had my hair piled high and my baby just looked so right

Well pick you up at ten, gotta have you home at two

Mama don't know what I caught off of you
But that's all right cause we're looking as cool as can be

Well we found a little place that really didn't look half bad

I had a whisky on the rocks and change of a dollar for the jukebox

Well I put the cold rock into that can, but all they played was disco man

Come on pretty baby, let's get out of here right away

CHORUS:

We're gonna rock this town, rock it inside out

Somebody's Baby – Jackson Browne

Well just a look at that girl with the lights comin' up in her eyes

Yeah, she's probably somebody's baby, all right

I heard her talkin' with her friend when she thought nobody else was around
She said she's got to be somebody's baby, she must be somebody's baby
'Cause when the cars and the signs and the street lights light up the town

She's got to be somebody's baby, she's so
She's gonna be somebody's only light, gonna shine tonight

Southern Cross - CSN

G ^ F ^ C ^ ^ ^ G ^ F ^ C ^ G ^

Got out of town on a boat goin' to Southern islands, sailing a reach before a followin' sea
She was makin' for the trades on the outside, and the downhill run to Papeete
Off the wind on this heading lie the Marquesas
We got eighty feet of the waterline nicely making way
In a noisy bar in Avalon I tried to call you
On a midnight watch I realized why twice you ran away (think about)

CHORUS:

Think about how many times I have fallen
Spirits are using me larger voices callin'
What Heaven brought you and me cannot be forgotten
I have been aro-und the world lookin' for that woman girl
Who knows love can endure and you know it will

When you see the Southern Cross for the first time, you understand now why you came this way
'Cause the truth you might be runnin' from is so small
But it's as big as the promise the promise of a comin' day
So I'm sailing for tomorrow my dreams are a dyin'
And my love is an anchor tied to you, tied with a silver chain
I have my ship and all her flags are a' flyin', she is all that I have left and music is her name

REPEAT CHORUS:

SOLO: G ^ F ^ C ^ ^ ^ G ^ F ^ C ^ G ^ G ^ F ^ C ^ ^ ^ G ^ F ^ C ^ G ^

So we cheated and we lied and we tested
And we never failed to fail it was the easiest thing to do
You will survive being bested
Somebody fine will come along make me forget about loving you

The Winner Takes It All - ABBA

C Am Dm G 2x

(G) C G
I don't want to talk, about the things we've gone through
Dm G
Though it's hurting me, now it's history
C G
I've played all my cards, and that's what you've done too
Dm G
Nothing more to say, no more ace to play
C Am
The winner takes it all, the loser standing small
Dm G
Beside the victory, that's her destiny

C G
I was in your arms, thinking I belonged there
Dm G
I figured it made sense, building me a fence
C G
Building me a home, thinking I'd be strong there
Dm G
But I was a fool, playing by the rules
C Am
The gods may throw a dice, their minds as cold as ice
Dm G
And someone way down here, loses someone dear
C Am
The winner takes it all, the loser has to fall
Dm G
It's simple and it's plain, why should I complain

C G
But tell me does she kiss, like I used to kiss you
Dm G
Does it feel the same, when she calls your name
C G
Somewhere deep inside, you must know I miss you
Dm G
But what can I say, rules must be obeyed
C Am
The judges will decide, the likes of me abide
Dm G
Spectators of the show, always staying low
C Am
The game is on again, a lover or a friend
Dm G G
A big thing or a small, the winner takes it all

C G
I don't want to talk, if it makes you feel sad
Dm G
And I understand, you've come to shake my hand
C G
I apologize, if it makes you feel bad
Dm G
Seeing me so tense, no self-confidence
C Am
But you see the winner takes it all

Veronica – Elvis Costello

C F C/E G/D C F C G

Is it all in that pretty little head of yours, what goes on in that place in the dark

Well I used to know a girl and I could have sworn that her name was Veronica

Well she used to have a carefree mind of her own and a delicate look in her eye

These days I'm afraid she's not even sure if her name is Veronica

CHORUS:

Do you suppose that waiting hands on eyes Veronica has gone to hide

And all the time she laughs at those who

Shout her name and steal her clothes Veronica Veronica

Did the days drag by, did the favors wane, did he roam down the town all the while

Will you wake from your dream, with a wolf at the door, reaching out for Veronica

Well it was all of sixty-five years ago, when the world was the street where she lived

And a young man sailed on a ship in the sea with a picture of Veronica

On the Empress of India and as she closed her eyes upon the world

And picked upon the bones of last week's news, she spoke his name out loud again

REPEAT CHORUS:

Veronica sits in her favorite chair and she sits very quiet and still

And they call her a name that they never get right

And if they don't then nobody else will

But she used to have a carefree mind of her own with devilish look in her eye

Saying you can call me anything you like but my name is Veronica

REPEAT CHORUS: Oh Veronica

All Star – Smash Mouth

Somebody once told me the world is gonna roll me, I ain't the sharpest tool in the shed
She was looking kind of dumb, with her finger and her thumb
In the shape of an "L" on her forehead

Well the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun, your brain gets smart, but your head gets dumb
So much to do, so much to see so what's wrong with taking the back streets
You'll never know if you don't go, you'll never shine if you don't glow

CHORUS:

Hey now, you're an all star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold, only shooting stars break the mold

It's a cool place, and they say it gets colder, you're bundled up now, wait 'til you get older
But the media men beg to differ, judging by the hole in the satellite picture
The ice we skate is getting pretty thin, the water's getting warm so you might as well swim
My world's on fire, how 'bout yours, that's the way I like it and I'll never get bored

REPEAT CHORUS:

SOLO: G C C#° C G C C#° C G C C#° C G C C#° C

REPEAT CHORUS:

Somebody once asked, could I spare some change for gas I need to get myself away from this place
I said yep, what a concept., I could use a little fuel myself and we could all use a little cha-ange

Well the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun, your brain gets smart, but your head gets dumb
So much to do, so much to see so what's wrong with taking the back streets

A/E F#m D E (2x)

I've been down, I've been beat, I've been so tired, I could not speak
I've been so lost, that I could not see, I wanted things, that where out of reach
Then I found you and you helped me through , yeah you showed me what to do
That's why, I'm coming back to you

CHORUS:

That's how your love, can take me home, back to you
And if I wish upon that star, someday I'll be where you are
And I know that day is coming soon

Yeah I'm coming back to you

You've been alone, but you did not show it , you've been in pain, when I did not know it
You let me do, what I needed to, you where there, when I needed you
Mighta let you down, mighta messed you round
But you never changed your point of view, that's why I'm coming back to you

One Headlight – The Wallflowers

G D F#7 Bm A

So long ago, I don't remember when, that's when they say I lost my only friend

Well they said she died easy of a broken heart disease

I listened through the cemetery trees

I seen the sun comin' up at the funeral at dawn, the long broken arm of human law

Now it always seemed such a waste, she always had a pretty face

I wondered how she hung around this place Hey

CHORUS:

Come on try a little, nothing is forever

There's got to be something better than in the middle

Me and Cinderella, we put it all together, we can drive it home with one headlight

She said it's cold, it feels like Independence Day and I can't break away from this parade

But there's got to be an opening, somewhere here in front of me

Through this maze of ugliness and greed

And I seen the sun up ahead at the county line bridge

Sayin' all there's good and nothingness is dead

We'll run until she's out of breath, she ran until there's nothin' left

She hit the end, it's just her window ledge Hey

REPEAT CHORUS:

SOLO: G D F#7 Bm A G D F#7 Bm A

This place is old, it feels just like a beat up truck

I turn the engine, but the engine doesn't turn

Well it smells of cheap wine, cigarettes, this place is always such a mess

Sometimes I think I'd like to watch it burn, I'm so alone and I feel just like somebody else

Man I ain't changed, but I know I ain't the same

But somewhere here in between the city walls of dyin' dreams

I think of death, it must be killin' me Hey hey hey

Two Pina Coladas – Garth Brooks

^B He said I'm tellin' you, ^B that science has proven
^B That heartaches are healed by the sea ^E
^A That got me goin', ^A without even knowin'

^A Now I'm on a roll, ^E and I swear to my soul
^E Tonight I'm gonna paint this town ^B ^E

Twenty-five years ago they spoke out and they broke out
Of recession and oppression and together they toked
And they folked out with guitars around a bonfire
Just singing and clapping, man, what the hell happened?
Then some were spellbound some were hell-bound, some they fell down
And some got back up and fought back against the meltdown
And their kids were hippie chicks, all hypocrites
Because fashion is smashing the true meaning of it

REPEAT CHORUS:

SOLO: **Gm C Gm7 C 4x**

It ain't no joke when a mama's handkerchief is soaked
With her tears because her baby's life has been revoked
The bond is broke up, so choke up and focus on the close up
Mr. Wizard can't perform no godlike hocus-pocus
So don't sit back, kick back and watch the world get bushwhacked
News at ten, your neighborhood is under attack
Put away the crack before the crack puts you away
You need to be there when your baby's old enough to relate

Where Was I – Paul Thorn

Em C G Em C G

On a black and white TV back in grammar school
I was watching Neal Armstrong walking on the moon
That same day I pretended I was an astronaut
On the playground monkey bars I flew above the stars
I was in a Dallas disco the night John Lennon died
The DJ played Imagine and everybody cried
I remember a thousand lighters held up in our hands
All we were saying, was let's give peace a chance

CHORUS:

Where was I when you stopped lovin' me, when did I become his-tory
There's not many things that escape my me-mory
Tell me where was I when you stopped loving me

I remember your goodbye, could you tell me this

100 Years – Five For Fighting

G C Am7 D G/B Em Am7 D

I'm fifteen for a moment, caught in between ten and twenty

And I'm just dreaming, counting the ways to where you are

I'm twenty-two for a moment, and she feels better than ever

And we're on fire, making our way back from Mars

Fifteen there's still time for you, time to buy and time to lose

Fifteen there's never a wish better than this

When you only got a hundred years to live

I'm thirty-three for a moment, I'm still the man, but you see I'm a

"They", a kid on the way babe, a family on my mind

I'm forty-five for a moment, the sea is high

And I'm heading into a crisis, chasing the years of my life

Fifteen there's still time for you, time to buy and time to lose yourself

Within a morning star

Fifteen I'm all right with you, fifteen there's never a wish better than this

When you only got a hundred years to

Live, half time goes by, suddenly you're wise, another blink of an eye

Sixty-seven is gone, the sun is getting high, we're moving on

I'm ninty-nine for a moment, dying for just another moment

And I'm just dreaming, counting the ways to where you are

Fifteen there's still time for you, Twenty-two I feel her too

Thirty-three you're on your way, every day's a new day

Oo oo oo oo oo Oo oo oo oo oo Oo oo oo oo oo oo oo oo oo oo

Fifteen there's still time for you, time to buy and time to choose

Better Together – Jack Johnson

There is no combination of words I could put on the back of a postcard

No song that I could sing, but I can try for your heart

Our dreams, and they are made out of real things

Like a, shoebox of photographs with sepia-toned loving

Love is the answer, at least for most of the questions in my heart

Like why are we here, and where do we go, and how come it's so hard

It's not always easy and, sometimes life can be deceiving

I'll tell you one thing, it's always better when we're together

CHORUS:

Mmm, it's always better when we're together, yeah we'll look at the stars when we're together

Well, it's always better when we're together, yeah, it's always better when we're together

SOLO:

And all of these moments, just might find their way into my dreams tonight

But I know that they'll be gone, when the morning light sings

And brings new things, for tomorrow night you see

That they'll be gone too, too many things I have to do

But if all of these dreams might find their way, into my day to day scene

I'd be under the impression, I was somewhere in between

With only two just me and you, not so many things we got to do

Or places we got to be, we'll sit beneath the mango tree now

REPEAT CHORUS:

SOLO: Mmm, mmm, mmm

I believe in memories they look so, so pretty when I sleep

Hey now and when I wake up, you look so pretty sleeping next to me

But there is not enough time, and there is no, no song I could sing

And there is no combination of words I could say

But I will still tell you one thing, we're better together

I'm Yours – Jason Mraz

C G Am F

Well you done done me and you bet I felt it

I tried to be chill but you're so hot that I melted

I fell right through the cracks, now I'm tryin to get back

Before the cool done run out I'll be givin it my bestest

And nothin's gonna stop me but divine intervention

I reckon it's again my turn, to win some or learn some

But I won't hesitate no more, no more, it cannot wait I'm yours Hmm Hey Hey

Well open up your mind and see like me

Open up your plans and damn you're free

I look into your heart and you'll find love love love love

Listen to the music of the moment people dance and sing

Were just one big family and it's our godforsaken right to be loved loved loved loved loved

So, I won't hesitate no more, no more, it cannot wait I'm sure

There's no need to complicate our time is short this is our fate, I'm yours

Do do do do do do won't you Scooch on over closer, dear and I will nibble your ear

I've been spendin' way too long checkin' my tongue in the mirror

And bendin' over backwards just to try to see it clearer

But my breath fogged up the glass and so I drew a new face and I laughed

I guess what I'd be sayin' is there ain't no better reason

To rid yourself of vanities and just go with the seasons

It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more it cannot wait I'm yours

Well open up your mind and see like me, open up your plans and damn you're free

Look into your heart and you'll find that the sky is yours

So please don't, please don't please don't, there's no need to complicate

Cause our time is short, this is, this is, this is our fate I'm yours

Just Haven't Met You Yet - Michael Buble

C (G E) F (F E) Dm7 (E G) Am G (E D) 2x

I'm not surprised, not everything lasts
I've broken my heart so many times I stopped keeping track
Talk myself in, I talk myself out, I get all worked up then I let myself down
I tried so very hard not to lose it I came up with a million excuses
I thought I thought of every possibility

CHORUS:

And I know some day that it'll all turn out
You'll make me work so we can work to work it out
And I promise you kid that I'll give so much more than I get
I just haven't met you yet

I might have to wait, I'll never give up
I guess it's half timing and the other half's luck
Wherever you are, whenever it's right, you'll come out of nowhere and into my life
And I know that we can be so amazing, and baby your love is gonna change me
And now I can see every possibility mmm

REPEAT CHORUS:

They say, all's fair in love and war but I won't need to fight it
We'll get it right and we'll be united

SOLO: F G C F G Am F E Am /G F G

And I know that we can be so amazing, and being in love is gonna change me
And now I can see every single possibility
And someday I know it'll all turn out, and I'll work to work it out
Promise you kid, I'll give more than I get, than I get, than I get, than I get

REPEAT CHORUS:

I just haven't met you yet ...

Mission Temple Fireworks Stand – Paul Thorn

I saw a black man with a bible, and a sparkler in his hand
He was holding a tent revival, and running a fireworks stand
He said the end of the world is coming, so you'd better get on your knees
Today bottle rockets are two for one, the salvation's free
He said I quit my job at a big church, where the milk and money flowed
To sell cherry bombs for Jesus, in a tent beside the road
I ain't in it for the money, most cars pass on by
but I pay the rent on New Year's, and the 4th of July

CHORUS:

Here at the holy ghost (holy ghost) big bang theory (big bang theory)
Pentecostal (Pentecostal) fire and brimstone (fire and brimstone)
Mission temple fireworks stand

He said fireworks are dangerous they can blow up in your face
So you'd better read the instructions, light the fuse and get away
These things are made in china, so it's easy to see
How a man who worships Buddha, ain't got no guarantees

REPEAT CHORUS:

He says everything I'm sellin' is all goin' up in smoke
This world is like an atom bomb that's ready to explode
When the trumpet sounds and the lord comes back I promise you one thing
I'll be a human bottle rocket, and I'll go out with a bang

Remember when I was young and so were you

And time stood still and love was all we knew

You were the first, so was I we made love and then you cried, remember when

Remember when we vowed the vows and walked the walk

Gave our hearts made the start, it was hard

We lived and learned, life threw curves, there was joy, there was hurt, remember when

Remember when old ones died and new were born

And life was changed disassembled, rearranged

We came together, fell apart and broke each other's hearts, remember when

Now lookn' back it's just a steppin' stone

To where we are, where we've been Said we'd do it all again, remember when

Remember when we said when we turned gray

When the children grow up and move away

We won't be sad, we'll be glad for all the life we've had

Southern State Of Mind – Darius Rucker

C Am F C C Am F C

I was up in New York City, just the other week

You should've seen the waitress face, when I ordered sweet tea

She said we don't have that here, and I apologized

I said please forgive me, I'm in a southern state of mind

And those girls out in California, they don't understand

They don't like it when I hold the door, or when I say yes ma'am

They act like I done something wrong, and they give me the evil eye

I say honey I'm sorry, I'm in a southern state of mind

CHORUS:

I could be any-where, in my heart I'm always there

Where they drink sweet tea and they raise you to be polite

No changin' who I am, that's the way I've always been

No matter what state I'm in, I'm in a southern state of mind

I'm always walkin' round, tellin' everybody hi

Just a wavin' at the strangers, in the cars passin' by

Some people may look at me and say, that boy just ain't right

Hey y'all I ain't crazy, I'm in a southern state of mind

REPEAT CHORUS:

You can see it in the clothes I wear, you can hear it when I talk

Ball cap boots and jeans, and a little southern drawl

I could be up in Ohio, or back home in Caroline

No matter what state I'm in, I'm in a southern state of mind

Don't matter what state I'm in, I'm in a southern state of mind

The Lighthouse's Tale – Nickel Creek

Em G D

I am a lighthouse, worn by the weather and the waves
I keep my lamp lit, to warn the sailors on their way

I had a keeper, he helped me warn the ships at sea
We had grown closer, 'till his joy meant everything to me
And he was to marry, a girl who shone with beauty and light
And they loved each other, and with me watched the sunsets into night

CHORUS:

And the waves crashing around me, the sand slips out to sea
And the winds that blow remind me of what has been and what can never be

She'd had to leave us, my keeper he prayed for a safe return
But when the night came, the weather to a raging storm had turned
He watched her ship fight, but in vain against the wild and terrible wave
And me so helpless, as dashed against the rock she met her end

REPEAT CHORUS:

Then on the next day, my keeper found her washed up on the shore
He kissed her cold face, that they'd be together soon he'd swore
I saw him crying, watched as he buried her in the sand
And then he climbed my tower, and off of the edge of me he ran

REPEAT CHORUS:

I am a lighthouse, worn by the weather and the waves
And though I am empty, I still warn the sailors on their way

And I know that I am I am I am the luckiest

What if I'd been born fifty years before you

In a house on a street where you lived

Maybe I'd be outside as you

Passed on your bike would I know

And in a white sea of eyes, I see one pair that I recognize

And I know that I am I am I am the luckiest

I love you more than I have ever found a way to say to you

Next door there's an old man, who lived to his nineties

And one day passed away in his sleep

And his wife, she stayed for a couple of days and passed away

To tell you that I know we belong

Toes – Zac Brown

CHORUS:

I got my toes in the water, ass in the sand not a worry in the world a cold beer in my hand
Life is good today, life is good today

Well the plane touched down just about 3 o'clock and the city's still on my mind
Bikinis and palm trees danced in my head but I was still in the baggage line
Concrete and cars are their own prison bar like this life I'm living in
But the plane brought me farther I'm surrounded by water and I'm not going back again

REPEAT CHORUS:

Adios and vaya con dios, yeah I'm leaving GA
And if it weren't for tequila and pretty señoritas I'd have no reason to stay
Adios and vaya con dios yeah I'm leaving GA
I'm gonna lay in the hot sun and roll a big fat one and grab this guitar and play

SOLO: C F C G C F C G C

Four days flew by like a drunk Friday night as the summer drew to an end
They can't believe that I just couldn't leave and I bid adieu to my friends
Because my bartender she's from the islands her body's been kissed by the sun
And coconut replaces the smell of the bar and I don't know if it's her or the rum

REPEAT CHORUS:

Adios and vaya con dios a long way from GA
Yes and all the muchachas they call me big poppa when I throw pesos their way
Adios and vaya con dios a long way from GA
Someone do me a favor and pour me some Jaeger and I'll grab this guitar and play
Adios and vaya con dios going home now to stay
The señoritas don't care o when there's no dinero I got no money to stay
I put my ass in a lawn chair, toes in the clay not a worry in the world, a PBR on the way
Life is good today, yes life is good today

Two Dogs In Heat – Paul Thorn

Here at the Blue Sister, I play my guitar
And I watch men and women, flirt at the bar
They act like they're in love, when they first meet
But deep down they both know, they're just two dogs in heat

CHORUS:

Two dogs in heat, two dogs in heat
It ain't love it's nothing more than, two dogs in heat

He took her to a motel, where they charge by the hour
And they were having a special, free TV and towels
She had high expectations, that they'd make love all night
But he lasted two minutes, and went out like a light

REPEAT CHORUS:

You wake up the next morning, and you turn on the light
And she don't look as beautiful, as she did last night
You tell her you'll call her, but you know it's a lie
Cause you don't want to see her again, for the rest of your life

REPEAT CHORUS:

A Hard Days Night – The Beatles

E11

It's been a hard day's night, and I been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I'll find the things that you do
Will make me feel al-right

You know I work all day to get you money to buy you things
And it's worth it just to hear you say, you're going to give me everything
So why on earth should I moan, 'cause when I get you alone
You know I feel o-k

CHORUS:

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight yea

REPEAT 1ST VERSE:

Hey Jude – The Beatles

Hey Jude don't make it bad, take a sad song and make it better
Remember to let her into your heart, than you can start to make it better
Hey Jude don't be afraid, you were made to go out and get her
The minute you let her under your skin, then you begin to make it better

And anytime you feel the pain hey Jude refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder
Na na na na na, na na na na

Hey Jude don't let me down, you have found her now go and get her
Remember to let her into your heart, than you can start to make it better

So let it out and let it in, hey Jude begin
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude you'll do
The movement you need is on your shoulder
Na na na na na, na na na na

Hey Jude don't make it bad, take a sad song and make it better
Remember to let her under your skin, than you'll begin to make it
Better, better, better, better, better, better, oh

I Saw Her Standing There – The Beatles

Well she was just seventeen, you know what I mean
And the way she looked, was way beyond compare
So how could I dance with another ooo, when I saw her standing there

Well she looked at me and I, I could see

Crapped Out Again - Keb' Mo'

B+

Flat broke and busted, it just don't seem fair

The man in heaven, don't hear my prayer

And these dice are loaded, but I still can't win

Flat broke and busted, crapped out again

Maybe tomorrow, I'll see the light

And I'll know the difference, between wrong and right

My ship is out there, but it can't come in

Flat broke and busted, crapped out again

And now I'm hanging on tight, to the end of my rope

Somebody call me a preacher, yea well let's call the Pope

Just flip up a coin, turn up a card

I'll be back up on top ya'll yea I'm gonna be livin' large

SOLO E A E B7

My ship is out there, oh but it can't come in

Flat broke and busted, all crapped out again

Dixie Chicken – Little Feat

I've seen the bright lights of Memphis, and the Commodore Hotel
And underneath a street lamp, I met a Southern belle
(C C#) D Well she took me to the river, where she cast her spell
E E E A And in that Southern moonlight, she sang a song so well

CHORUS:

(C# D) A A A E
If you'll be my Dixie chicken, I'll be your Tennessee lamb
E A E A (C# B) A E A
And we can walk together down in Dixieland, down in Dixieland

A A A E
Well we made all the hot spots. my money flowed like wine
E E E A
Then that low down Southern whiskey, began to fog my mind
(C C#) D A A E
And I don't remember church bells, or the money I put down
E E E A
On the white picket fence and boardwalk, of the house at the edge of town
D A A E
But boy do I remember, the strain of her refrain
E E E A
The nights we spent together, and the way she called my name

REPEAT CHORUS:

A A
Well it's been a year since she ran away
A E
Yes that guitar player sure could play
E E E A (C C#)
She always liked to sing along, she's always handy with a song
D A A E
Then one night in the lobby, of the Commodore Hotel
E E E A
I chanced to meet a bartender, who said he knew her well
(C C#) D A A E
And as he handed me a drink, he began to hum a song
E E E A

San Francisco Bay Blues – Jesse Fuller

C F C C7 F C F C A7 D7 G C G7

I got the blues from my baby, left me by the San Francisco Bay

The ocean liner's gone so far away

Didn't mean to treat her so bad, she was the best girl I ever have had

She said goodbye, she made me cry, I want to lay down and die

I ain't got a nickel and I ain't got a lousy dime

If she don't come back, I think I'm going to lose my mind

If she ever comes back to stay, gonna fill another brand new day

Walking with my baby down by the San Francisco Bay

Sitting down looking through my back door, wondering which way to go

The woman I'm so crazy about, she don't want me no more

Think I'll take me a freight train, because I'm feeling blue

Ride all the way, to the end of the line, thinking only of you

Meanwhile in another city, just about to go insane

Thought I heard my baby, the way she used to call my name

If she ever come back to stay, gonna fill another brand new day

Walking with my baby down by the San Francisco Bay

Walking with my baby down by the San Francisco Bay

Walking with my baby down by the San Francisco Bay

She Just Wants To Dance – Keb' Mo'

When the music starts to playin, she slides out on the floor

Dancing without a partner, swaying on the two and four

There's a rhythm in her footsteps, and a flower in her hair

A smile on her face, 'cause she's in a place

Where she don't have a care

She ain't looking for no lover, she ain't looking for a romance

She just wants to dance, she just wants to dance

Yeah she just wants to dance, Ooo she just wants to dance

Well she's moving kinda lazy, and it's obvious to me

This little girl ain't crazy, she's as wild as she is free

She can feel it in her fingers, and it moves on down her spine

And when it hits her hips, she parts her lips

And you know she's feeling fine

She ain't looking for no lover, she ain't looking for a romance

Another Auld Lang Syne - Christmas

G **Em** **G** **Em**
Met my old lover in the grocery store, the snow was falling Christmas eve
G **Em** **A7** **C** **D**
I stole behind her in the frozen foods, and I touched her on the sleeve

G **Em** **G** **Em**
She didn't recognize the face at first, but then her eyes flew open wide
G **Em** **A7** **C** **D**
She went to hug me and she spilled her purse and we laughed until we cried

G **Em** **G** **Em**
We took her groceries to the checkout stand, the food was totaled up and bagged
G **Em** **A7** **C** **D**
We stood there lost in our embarrassment, as the conversation dragged
G **Em** **G** **Em**
We went to have ourselves a drink or two, but couldn't find an open bar
G **Em** **A7** **C** **D**
We bought a six-pack at the liquor store, and we drank it in her car

Em **C** **D** **Em**
We drank a toast to innocence, we drank a toast to now
Em **C** **D** **D**
And tried to reach beyond the emptiness, but neither one knew how

G **Em** **G** **Em**
She said she'd married her an architect, who kept her warm and safe and dry
G **Em** **A7** **C** **D**
She would have liked to say she loved the man, but she didn't like to lie

G **Em** **G** **Em**
I said the years had been a friend to her, and that her eyes were still as blue
G **Em** **A7** **C** **D**
But in those eyes I wasn't sure if I saw, doubt or gratitude
G **Em** **G** **Em**
She said she saw me in the record stores, and that I must be doing well
G **Em** **A7** **C** **D**
I said the audience was heavenly, but the traveling was hell

Em **C** **D** **Em**
We drank a toast to innocence, we drank a toast to time
Em **C** **D** **D**
Reliving in our eloquence, another auld lang syne

G **Em** **G** **Em**
The beer was empty and our tongues were tired, and running out of things to say
G **Em** **A7** **C** **D**
She gave a kiss to me as I got out, and I watched her drive away
G **Em** **G** **Em**
Just for a moment I was back at school, and felt that old familiar pain
G **Em** **A7** **C** **D**
And as I turned to make my way back home, the snow turned into rain

Baby It's Cold Outside - Christmas

C **G6**
I really can't stay
Dm7 **G**
I've got to go away
C **G**
This evening has been
C6 C/G C9
So very nice
F6
My mother will start to worry
F6
My father will be pacing the floor
C6
So really I'd better scurry
D9 **G7**
Well maybe just a half a drink more
C **G6**
The neighbors might think
Dm7 **G7**
Say what's in this drink
C **G**
I wish I knew how
C6 C/G C9
To break the spell
F9 **Am7b5/Eb**
I ought to say no no no sir
D7 **G7sus**
At least I'm gonna say that I tried
C **Bb6**
I really can't stay
A7 **D7** **G7** **C**
Baby it's cold out-side

I simply must go
The answer is no
The welcome has been
So nice and warm
My sister will be suspicious
My brother will be there at the door
My maiden Aunt's mind is vicious
Well maybe just a cigarette more
I've got to get home
Say lend me a comb
You've really been grand
But don't you see
There's bound to be talk tomorrow
At least there will be plenty implied
I really can't stay

Baby but it's cold out side

C **G6**
But baby it's cold outside
Dm7 **G**
But baby it's cold out outside
Been hoping that you'd drop in
I'll hold your hands they're just like ice
Beautiful what your hurry
Listen to that fireplace roar
Beautiful please don't hurry
Put some records on while I pour
C6 **G6**
Baby it's bad out there
Dm7 **G**
No cabs to be had out there
Your eyes are like starlight now
I'll take your hat your hair looks swell
Mind if I move in closer
G7
What's the sense of hurtin' my pride
Oh baby don't hold out

But baby it's cold outside
But baby it's cold outside
How lucky that you dropped in
Look out that window at that storm
Gosh, your lips look delicious
Waves upon a tropical shore
Ooo your lips are delicious
Never such a blizzard before
But baby you'll freeze out there
It's up to your knees out there
I thrill when you touch my hand
How can you do this thing to me
Think of my life long sorrow
If you caught pneumonia and died
Get over that old doubt

Blue Christmas - Christmas

I'll have a blue Christmas without you

I'll be so blue just thinking about you

Decorations of red on a green Christmas tree

Won't mean a thing if you're not here with me

And when those blue snowflakes start fallin'

That's when those blue memories start callin'

You'll be doing all right with your Christmas of white

But I'll have a blue blue Christmas

I'll have a blue Christmas, that's certain

And when that blue heartache starts hurting

You'll be doing all right with your Christmas of white

But I'll have a blue blue Christmas

Sleigh Ride - Christmas

1 of 2

(G) Just hear those sleigh bells jingle-ing, ring-ting-tingle-ing too
Come on, it's lovely weather for a sleigh ride together with you
Outside the snow is falling and friends are calling you-hoo
Come on, it's lovely weather for a sleigh ride together with you

(G) (E) F#m B7 E C#m
Giddy-up, giddy-up, giddy-up, let's go let's look at the show
We're riding in a wonderland of snow
Giddy-up, giddy-up, giddy-up, it's grand just holding your hand
We're gliding along with a song of a wintery fairy land

Our cheeks are nice and rosy and comfy cozy are we
We've snuggled close together like two birds of a feather would be
Let's take that road before us and sing a chorus or two
Come on it's lovely weather for a sleigh ride together with you

(D) Cadd9 C
There's a birthday party at the home of Farmer Gray
It'll be the perfect ending of a perfect day
We'll be singing the songs we love to sing without a single stop
At the fireplace as we watch the chestnuts pop, pop pop pop

Cadd9 C
There's a happy feeling nothing in the world can buy
When they pass around the coffee and the pumpkin pie
It'll nearly be like a picture print by Curr-ier and Ives
These wonderful things are the things we remember all through our lives
These wonderful things are the things we remember all through our lives

I've Got Friends In Low Places – Garth Brooks

Blame it all on my roots, I showed up in boots, and ruined your black tie affair
The last one to know, the last one to show, I was the last one you thought you'd see there
And I saw the surprise, and the fear in his eyes, when I took his glass of champagne
And I toasted you, said honey we may be through, but you'll never hear me complain

CHORUS:

'Cause I've got friends in low places
Where the whiskey drowns and the beer chases my blues away, and I'll be okay
I'm not big on social graces, think I'll slip on down to the oasis
Oh I've got friends in low places

Well I guess I was wrong, I just don't belong, but then I've been there before
Everything's all right, I'll just say goodnight, and I'll show myself to the door
Hey I didn't mean, to cause a big scene, just give me an hour and then
Well I'll be as high, as that ivory tower, that you're livin' in

REPEAT CHORUS:

I guess I was wrong, I just don't belong, but then, I've been there before
And everything is alright, I'll just say goodnight, and I'll show myself to the door
I didn't mean to cause a big scene, just wait 'til I finish this glass
Then sweet little lady, I'll head back to the bar, and you can kiss my ass

Thank God I'm A Country Boy – John Denver

Well life on the farm is kinda laid back
Ain't much an old country boy like me can't hack
It's early to rise, early in the sack thank God I'm a country boy
Well a simple kinda life never did me no harm
A raisin' me a family and workin' on a farm
My days are all filled with an easy country charm thank God I'm a country boy

CHORUS:

Well I got me a fine wife I got me an ole fiddle
When the sun's comin' up I got cakes on the griddle
Life ain't nothin' but a funny funny riddle, thank God I'm a country boy

When the work's all done and the sun's settlin' low
I pull out my fiddle and I rosin up the bow
The kids are asleep so I keep it kinda low, thank God I'm a country boy
I'd play Sally Goodin all day if I could
But the Lord and my wife wouldn't take it very good
So I fiddle when I can, work when I should, thank God I'm a country boy

REPEAT CHORUS: SOLO:

Well I wouldn't trade my life for diamonds and jewels
I never was one of them money hungry fools
I'd rather have my fiddle and my farmin' tools
Thank God I'm a country boy
Yeah city folk drivin' in a black limousine
A lotta sad people thinkin' that's mighty keen
Son, let me tell ya now exactly what I mean, thank God I'm a country boy

REPEAT CHORUS: SOLO:

Well, my fiddle was my daddy's till the day he died
And he took me by the hand and held me close to his side
Said live a good life and play the fiddle with pride & thank God you're a country boy
My daddy taught me young how to hunt and how to whittle
Taught me how to work and play a tune on the fiddle
Taught me how to love and how to give just a little, thank God I'm a country boy

Than the strength he had to get up off his knees **Bm G**
We found him with his face down in the pillow **D A**
With a note that said I'll love her till I die **Bm G**
And when we buried him beneath the willow **D A**
The angels sang a whiskey lullaby, la la la ... **G Bm G Bm G**

The rumors flew but nobody knew how much she blamed herself **D G Bm**

I Still Haven't Found What I'm Looking For – U2

I have climbed, the highest mountains, I have run, through the fields

Only to be with you only to be with you

I have run, I have crawled, I have scaled, these city walls

These city walls only to be with you

But I still haven't found, what I'm looking for

But I still haven't found, what I'm looking for

I have kissed, honey lips, felt the healing in the, fingertips

It burned like fire this burning desire

I have spoke with the, tongue of angels I have held, the hand of a devil

It was warm in the night I was cold as a stone

But I still haven't found, what I'm looking for

But I still haven't found, what I'm looking for

I believe in the, Kingdom come, then all the colors, will bleed into one

Bleed into one but yes I'm still running

You broke the bonds and you loosened the chains

Carried the cross, of my shame

Of my shame you know I believe it

But I still haven't found, what I'm looking for

But I still haven't found, what I'm looking for ...

Johnny B. Good – Chuck Berry

Deep down Louisiana close to New Orleans
Way back up in the woods among the evergreens
There stood a log cabin made of earth and wood
Where lived a country boy named Johnny B. Goode
Who never ever learned to read or write so well
But he could play the guitar just like a ringing a bell

CHORUS:

Go Go Go Johnny Go Go Go Go Johnny Go Go Go
Go Johnny Go Go Go Go Johnny Go, Go Go Johnny B. Goode

He used to carry his guitar in a gunny sack
Go sit beneath the tree by the railroad track
Oh the engineers would see him sitting in the shade
Strumming with the rhythm that the drivers made
People passing by they would stop and say
Oh my that little country boy could play

REPEAT CHORUS:

And you will be the leader of a big old band
Many people coming from miles around
To hear you play your music when the sun go down
Maybe someday your name will be in lights saying

Want to call you on the telephone baby and give you a ring
But each time we talk I get the same old thing
Always no huggin' no kissin' until I get a wedding ring
My honey, my baby don't put my love upon on shelf
She said don't hand me no lines and keep your hands to yourself

But baby baby baby why you treat me this way
You know I'm still your lover boy I still feel the same way
That's when she told me a story 'bout free milk and a cow
And she said no huggin' no kissin' 'til I get a wedding vow

Rise Up – Rod Witel

There's a whole new generation, that's never seen the ad

It's done with mirrors and with smoke, both first and second hand (rise up)

I'm not the kind to preach or pray but maybe one day someone will rise up (rise up) Mm (rise up)

Why does the fifth man disagree, is 4 out of 5 random conspiracy (rise up)

Now they call me super sized, cause I no longer fit the need

Commercials on my DVD, in theaters and TV we've got to rise up (rise up)

We've got to stand tall (stand tall) we've got to shout out (shout it out) we've got to heed the call
(heed the call)

Can someone answer me, why MTV is music free we've got to rise up (rise)

Whoever wrote In God We Trust and put it on the almighty buck, is rolling over in his grave

We've got to rise up (rise)

SOLO: C#m B Bm A Am E F#m E/B

No matter where I turn, A or B or CBS (rise up)

There's a target on my back, shaped like a dollar bill, Caveat Emptor, in this land of free refills

We've got to stand tall (stand tall) we've got to shout out (shout it out) we've got to heed the call
(heed the call)

They tell us what we need then stick us till we bleed we've got to rise up (rise)

Whoever wrote In God We Trust and put it on the almighty buck, is rolling over in his grave

I'm not the kind to preach or pray well maybe just today

I'm gonna rise up (rise up) I'm gonna stand tall (stand tall)

You've seen it all, **Am Bm Am G** you've seen it all

C And in your belly you hold the treasures **C** few have ever seen **G**
Most of 'em dream, **Am Bm Am G** most of 'em dream

G Yes I am a pirate, **G** two hundred years too late

Call for the captain ashore, let me go home

Let me go home, I wanna go home, yeah yeah

Well I feel so broke up, I wanna go home

The first mate he got drunk, and broke in the captains trunk
The constable had to come and take him away
Sheriff John Stone, why don't you leave me alone, yeah yeah
Well I feel so broke up, I wanna go home

REPEAT CHORUS:

The poor cook he caught the fits, and threw away all my grits
And then he took and he ate up all of my corn
Let me go home, why don't they let me go home
This is the worst trip, I've ever been on

REPEAT CHORUS:

G Well I feel so broke up, **D7** I wanna go home **G**

Son Of A Son Of A Sailor – Jimmy Buffett

As the son of a son of a sailor, I went out on the sea for adventure

Expanding the view of the captain and crew

Like a man just released from indenture

As a dreamer of dreams and a travelin' man, I have chalked up many a mile

Read dozens of books about heroes and crooks

And I learned much from both of their styles

Son of a son, son of a son, son of a son of a sailor

Son of a gun, load the last ton, one step ahead of the jailer

Now way in the near future, southeast of disorder

You can shake the hand of the mango man, as he greets you at the border

And the lady she hails from Trinidad, island of the spices

Salt for your meat and cinnamon sweet, and the rum is for all your good vices

Haul the sheet in as we ride on the wind, that our forefathers harnessed before us

Hear the bells ring as the tight rigging sings, it's a son of a gun of a chorus

SOLO: F C C G C/G G F C C G C/G G

Where it all ends I can't fathom my friends, if I knew I might toss out my anchor

So I cruise along always searchin' for songs, not a lawyer a thief or a banker

Son of a son, son of a son, son of a son of a sailor

Son of a gun, load the last ton, one step ahead of the jailer

I'm just a son of a son, son of a son, son of a son of a sailor

The sea's in my veins, my tradition remains, I'm just glad I don't live in a trailer

Southern Cross - CSN

G ^ F ^ C ^ ^ ^ G ^ F ^ C ^ G ^

Got out of town on a boat goin' to Southern islands, sailing a reach before a followin' sea
She was makin' for the trades on the outside, and the downhill run to Papeete
Off the wind on this heading lie the Marquesas
We got eighty feet of the waterline nicely making way
In a noisy bar in Avalon I tried to call you
On a midnight watch I realized why twice you ran away (think about)

CHORUS:

Think about how many times I have fallen
Spirits are using me larger voices callin'
What Heaven brought you and me cannot be forgotten
I have been aro-und the world lookin' for that woman girl
Who knows love can endure and you know it will

When you see the Southern Cross for the first time, you understand now why you came this way
'Cause the truth you might be runnin' from is so small
But it's as big as the promise the promise of a comin' day
So I'm sailing for tomorrow my dreams are a dyin'
And my love is an anchor tied to you, tied with a silver chain
I have my ship and all her flags are a' flyin', she is all that I have left and music is her name

REPEAT CHORUS:

SOLO: G ^ F ^ C ^ ^ ^ G ^ F ^ C ^ G ^ G ^ F ^ C ^ ^ ^ G ^ F ^ C ^ G ^

So we cheated and we lied and we tested
And we never failed to fail it was the easiest thing to do
You will survive being bested
Somebody fine will come along make me forget about loving you
In the southern cross

Toes – Zac Brown

CHORUS:

I got my toes in the water, ass in the sand not a worry in the world a cold beer in my hand
Life is good today, life is good today

Well the plane touched down just about 3 o'clock and the city's still on my mind
Bikinis and palm trees danced in my head but I was still in the baggage line
Concrete and cars are their own prison bar like this life I'm living in
But the plane brought me farther I'm surrounded by water and I'm not going back again

REPEAT CHORUS:

Adios and vaya con dios, yeah I'm leaving GA
And if it weren't for tequila and pretty señoritas I'd have no reason to stay
Adios and vaya con dios yeah I'm leaving GA
I'm gonna lay in the hot sun and roll a big fat one and grab this guitar and play

SOLO: C F C G C F C G C

Four days flew by like a drunk Friday night as the summer drew to an end
They can't believe that I just couldn't leave and I bid adieu to my friends
Because my bartender she's from the islands her body's been kissed by the sun
And coconut replaces the smell of the bar and I don't know if it's her or the rum

REPEAT CHORUS:

Adios and vaya con dios a long way from GA
Yes and all the muchachas they call me big poppa when I throw pesos their way
Adios and vaya con dios a long way from GA
Someone do me a favor and pour me some Jaeger and I'll grab this guitar and play
Adios and vaya con dios going home now to stay
The señoritas don't care o when there's no dinero I got no money to stay
I put my ass in a lawn chair, toes in the clay not a worry in the world, a PBR on the way
Life is good today, yes life is good today

If I Only Had A Brain – The Wizard Of Oz

I could while away the hours, conferrin' with the flowers, consultin' with the rain
And my head I'd be scratchin' while my thoughts were busy hatchin' if I only had a brain

I'd unravel every riddle, for any individ'le, in trouble or in pain
With the thoughts you'll be thinkin' you could be another Lincoln if you only had a brain

Oh I could tell you why the ocean's near the shore
I could think of things I never thunk before, and then I'd sit, and think some more
I would not be just a nothin', my head all full of stuffin', my heart all full of pain
I would dance and be merry, life would be a ding-a-derry, if I only had a brain

When a man's an empty kettle, he should be on his mettle, and yet I'm torn apart
Just because I'm presumin' that I could be kind-a-human if I only had heart
I'd be tender I'd be gentle, and awful sentimental, regarding love and art
I'd be friends with the sparrows and the boys who shoots the arrows if I only had a heart

Picture me a balcony above a voice sings low
Wherefore art thou Romeo, I hear a beat, how sweet
Just to register emotion, jealousy devotion, and really feel the part
I could stay young and chipper and I'd lock it with a zipper if I only had a heart

Yeh it's sad believe me Missy, when you're born to be a sissy, without the vim and verve
But I couldn't change my habits, never more be scared of rabbits if I only had the nerve
I'm afraid there's no denyin', I'm just a dandelion, a fate I don't deserve
But I could show my prowess, be a lion not a mou-ess if I only had the nerve

Oh I'd be in my stride a king down to the core
Oh I roar the way I never roared before and then I'd rrrwuff and roar some more
I'd be brave as a blizzard, I'd be gentle as a lizard I'd be clever as a gizzard
I would show the dinosaurs. who's king around the forus a king they's better serve
And with my regal beezer, I could be another ceaser, If I only had the nerve

Someone To Lava – Inside Out

C **G7** **F** **C** **G7**
A long long time ago there was a volcano, living all alone in the middle of the sea
C **G7** **F** **C** **G7**
He sat high above his bay watching all the couples play, and wishing that he had someone too
C **G7** **F** **C** **G7**
And from his lava came this song of hope that he sang, out loud everyday for years and years

CHORUS:

F **C** **G7** **C**
I have a dream I hope will come true, that you're here with me and I'm here with you
F **C** **F** **G7** **C**
I wish that the earth, sea, the sky up above-a, will send me someone to lava

C **G7** **F** **C** **G7**
Years of singing all alone turned his lava into stone, until he was on the brink of extinction
C **G7** **F** **C** **G7**
But little did he know that living in the sea below, another volcano was listening to his song
C **G7**
Everyday she heard his tune her lava grew and grew
F **C** **G7**
Because she believed his song was meant for her
C **G7** **F** **C** **G7**
Now she was so ready to meet him above the sea, as he sang his song of hope for the last time

REPEAT CHORUS:

C **G7** **F** **C** **G7**
Rising from the sea below stood a lovely volcano, looking all around but she could not see him
C **G7** **F** **C** **G7**
He tried to sing to let her know that she was not there alone, but with no lava his song was all gone
C **G7**
He filled the sea with his tears and watched his dreams disappear
F **C** **G7**
As she remembered what his song meant to her

REPEAT CHORUS:

C **G7** **F** **C** **G7**
Oh they were so happy to finally meet above the sea, all together now their lava grew and grew
C **G7**
No longer are they all alone with aloha as their new home
F **C** **G7**
And when you visit them this is what they sing

Makin' Whoopie – Eddie Cantor

(1 of 2)

Another bride another June
Another sunny honeymoon
Another season another reason for makin' whoopee
A lot of shoes a lot of rice
The groom is nervous he answers twice
It's really killin' that he's so willin' to make whoopee

CHORUS:

Picture a little love nest, down where the roses cling
Picture the same sweet love nest
Think what a year can bring

He's washin' dishes and baby clothes
He's so ambitious he even sews
But don't forget folks
That's what you get folks for makin' whoopee

Makin' Whoopie – Eddie Cantor

(2 of 2)

He says he's busy but she say's is he he's makin' whoopee

CHORUS:

He doesn't make much money, only five thousand per
Some judge who thinks he's funny
Says you'll pay six to her

He says now judge suppose I fail
The judge says bud right into jail
You better keep her I think it's cheaper
Than making whoopee

Que Sera Sera – Doris Day

When I was just a little boy I asked my mother what will I be
Will I be handsome will I be rich here's what she said to me

Que sera, sera whatever will be will be
The future's not ours to see Que sera, sera
What will be, will be

When I grew up and fell in love I asked my sweetheart what lies ahead
Will we have rainbows day after day here's what my sweetheart said

Que sera, sera whatever will be will be
The future's not ours to see Que sera, sera
What will be, will be

Now I have children of my own they ask their father what will I be
Will I be handsome will I be rich I tell them tenderly

Que sera, sera whatever will be will be
The future's not ours to see Que sera, sera
What will be, will be
Que Sera, Sera

Since the dawn of man is really not that long

As every galaxy was formed in less time than it takes to sing this song

A fraction of a second and the elements were made

The bipeds stood up straight, the dinosaurs all met their fate

They tried to leap but they were late

And they all died (they froze their asses off)

The oceans and Pangea, see ya wouldn't wanna be ya

Set in motion by the same big bang

It all started with the big BANG!

Christmas – The Who

CHORUS:

G **G** **D** **D**
Did you ever see the faces of the children, they get so excited
G **G** **D** **D**
Waking up on Christmas morning, hours before the winter sun's ignited
G **G** **D** **D**
They believe in dreams and all they mean including heaven's generosity
G **G** **D** **D**
Peeping round the door to see what parcels are for free in curiosity

And Tommy doesn't know what day it is

How can he be saved, from the eternal grave
